MANAGEMENT INFORMATION CIRCULAR
As at June 25, 2025

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF HIGHROCK RESOURCES LTD. (the "**Company**") of proxies to be used at the annual general and special meeting of shareholders of the Company to be held on Wednesday, July 30, 2025, at Irwin Lowy LLP at 217 Queen Street West, Suite 401, Toronto, Ontario M5V 0R2 at 10:30 a.m. (Eastern time), and at any adjournment or postponement thereof (the "**Meeting**") for the purposes set out in the accompanying notice of meeting (the "**Notice of Meeting**"). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Notice of Meeting, this management information circular (the "**Management Information Circular**"), the annual consolidated financial statements of the Company for the financial year ended January 31, 2025, and related management's discussion and analysis and other meeting materials, if applicable (collectively the "**Meeting Materials**") to the beneficial owners of the common shares of the Company (the "**Common Shares**") held of record by such parties. The Company may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Company. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Company in favour of the matters set forth in the Notice of Meeting.

APPOINTMENT AND REVOCATION OF PROXIES

A holder of Common Shares who appears on the records maintained by the Company's registrar and transfer agent as a registered holder of Common Shares (each a "**Registered Shareholder**") may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Management Information Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The purpose of a form of proxy is to designate persons who will vote on the shareholder's behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Company. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE COMPANY, TO REPRESENT HIM, HER OR IT AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the transfer agent and registrar of the Company, Marrelli Trust Company Limited, at 82 Richmond Street East, Toronto, Ontario M5C 1P1 (the "**Transfer Agent**") not later than 10:00 a.m. (Eastern time) on Monday, July 28, 2025, or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies may be deposited with the Transfer Agent using one of the following methods:

| By Internet: | www.voteproxy.ca You will need to provide your 15 digit control number (located on the form of proxy accompanying this Management Information Circular) |

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it: (a) by depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof at, or by transmitting by telephone or electronic means, a revocation signed, subject to the provisions of the *Business Corporations Act* (British Columbia), to (i) the registered office of the Company, located at 5th Floor – 410 West Georgia Street, Vancouver, British Columbia, V6B 1Z3, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of special business, as stated elsewhere in this Management Information Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Management Information Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders of the Company do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a beneficial holder of Common Shares who does not appear on the records maintained by the Company's registrar and transfer agent as a registered holder of Common Shares (each a "**Non-Registered Holder**") are registered either: (i) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust

companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) (each a "**Clearing Agency**") of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Company or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Company's OBOs can expect to be contacted by their Intermediary. The Company does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a "**VIF**"). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

Form of Proxy. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominees name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Company as maintained by the Transfer Agent, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Company consists of an unlimited number of Common Shares without par value and an unlimited number of preferred shares without par value. As of Wednesday, June 25, 2025 (the "**Record Date**"), there were an aggregate of 26,005,001 Common Shares issued and outstanding and no preferred shares issued and outstanding. Each Common Share outstanding on the Record Date carries the right to one vote at the Meeting.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Registered Shareholder and proxy holder will have one vote and, on a poll, every Registered Shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the directors and executive officers of the Company, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares, other than as set forth below:

| Name⁽¹⁾ | Number of Common Shares | Percentage of Issued and Outstanding Common Shares |
|----------------------------|--------------------------------|---|
| Greencastle Resources Ltd. | 3,400,000 | 13.1% |

Stock Options and Other Compensation Securities

No compensation securities were exercised by any Named Executive Officer or any director of the Company during the most recently completed financial year of the Company.

Stock Option Plan and other Incentive Plans

On January 28, 2022, the Company adopted an omnibus long term incentive plan (the "**LTIP**") for officers, directors, employees and consultants of the Company. The LTIP was last approved by shareholders of the Company at the annual and special meeting of shareholders held on September 27, 2024.

Any existing options that were granted prior to the effective date of the LTIP pursuant to the Company's existing stock option plan (the "**Legacy Stock Option Plan**"), which was last approved by the Shareholders on January 28, 2022, will continue in accordance with its terms. Upon the effective date of the LTIP, however, options shall no longer be granted pursuant to the Legacy Stock Option Plan and shall only be granted pursuant to the LTIP.

The LTIP allows for a variety of equity-based awards that provide different types of incentives to be granted to certain of our executive officers, employees and consultants (in the case of options ("**Options**"), performance share units ("**PSUs**") and restricted share units ("**RSUs**"). Options, PSUs and RSUs are collectively referred to herein as "**Awards**". Each Award will represent the right to receive Common Shares, or in the case of PSUs and RSUs, Common Shares or cash, in accordance with the terms of the LTIP. The following discussion is qualified in its entirety by the text of the LTIP.

Under the terms of the LTIP, the Board may grant Awards to eligible participants, as applicable. Participation in the LTIP is voluntary and, if an eligible participant agrees to participate, the grant of Awards will be evidenced by a grant agreement with each such participant. The interest of any participant in any Award is not assignable or transferable, whether voluntary, involuntary, by operation of law or otherwise, other than by will or the laws of descent and distribution.

The LTIP will provide those appropriate adjustments, if any, will be made by the Board in connection with a reclassification, reorganization or other change of the Company's Common Shares, share split or consolidation, distribution, merger or amalgamation, in the Common Shares issuable or amounts payable to preclude a dilution or enlargement of the benefits under the LTIP.

For the purposes of calculating the maximum number of Common Shares reserved for issuance under the LTIP, the Legacy Stock Option Plan, any issuance from treasury by the Company that is issued in reliance upon an exemption under applicable stock exchange rules applicable to equity-based compensation arrangements used as an inducement to person(s) or company(ies) not previously employed by and not previously an insider of the Company shall not be included. All of the Common Shares covered by the cancelled or terminated Awards will automatically become available Common Shares for the purposes of Awards that may be subsequently granted under the LTIP.

The maximum number of Common Shares that may be: (i) issued to insiders of the Company within any one-year period; or (ii) issuable to insiders of the Company at any time, in each case, under the LTIP alone, or when combined with all of the Company's other security-based compensation arrangements, including the Legacy Stock Option Plan, cannot exceed 20% of the aggregate number of Common Shares issued and outstanding from time to time determined on a non-diluted basis.

An Option shall be exercisable during a period established by the Board which shall commence on the date of the grant and shall terminate no later than ten years after the date of the granting of the Option or such shorter period as the Board may determine. The minimum exercise price of an Option will be determined based on the closing price of the Common Shares on the Canadian Securities Exchange on the last trading day before the date such Option is granted. The LTIP will provide that the exercise period shall automatically be extended if the date on which it is scheduled to terminate shall fall during a black-out period. In such cases, the extended exercise period shall terminate 10 business days after the last day of the black-out period. In order to facilitate the payment of the exercise price of the Options, the LTIP has a cashless exercise feature pursuant to which a participant may elect to undertake either a broker assisted "cashless exercise" or a "net exercise" subject to the procedures set out in the LTIP, including the consent of the Board, where required.

The following table describes the impact of certain events upon the rights of holders of Options under the LTIP, including termination for cause, resignation, retirement, termination other than for cause, and death or long-term disability, subject to the terms of a participant's employment agreement, grant agreement and the change of control provisions described below:

Event Provisions

Termination for cause

Provisions

Any Option or other award held by the participant that has not been exercised, surrendered or settled as of the Termination Date (as defined in the LTIP) shall be immediately forfeited and cancelled as of the Termination Date

Termination without Cause

A portion of any unvested Options or other awards shall be immediately forfeited and cancelled as of the Termination Date. Any vested Options may be exercised by the participant at any time during the period that terminates on the earlier of: (A) the expiry date of such Option; and (B) the date that is 90 days after the Termination Date. If an Option remains unexercised upon the earlier of (A) or (B), the Option shall be immediately forfeited and cancelled for no consideration upon the termination of such period. In the case of a vested award other than an Option, such award will be settled within 90 days after the Termination Date.

Disability

Any award held by the participant that has not vested as of the date of such participant's Termination Date shall be immediately forfeited and cancelled as of the Termination Date. Any vested Option may be exercised by the participant at any time until the expiry date of such Option. Any vested award other than an Option will be settled within 90 days after the Termination Date.

Death

Any award that is held by the participant that has not vested as of the date of the death of such participant shall be immediately forfeited and cancelled as of the Termination Date. Any vested Option may be exercised by the participant's beneficiary or legal representative

(as applicable) at any time during the period that terminates on the earlier of: (a) the expiry date of such Option, and (b) the first anniversary of the date of the death of such participant. If an Option remains unexercised upon the earlier of (A) or (B), the Option shall be immediately forfeited and cancelled for no consideration upon the termination of such period. In the case of a vested award other than an Option, such award will be settled with the participant's beneficiary or legal representative (as applicable) within 90 days after the date of the participant's death.

Retirement

Any (i) outstanding award that vests or becomes exercisable based solely on the participant remaining in the service of the Company or its subsidiary will become 100% vested, and (ii) outstanding award that vests based on the achievement of Performance Goals (as defined in the Equity Incentive Plan) that has not previously become vested shall continue to be eligible to vest based upon the actual achievement of such Performance Goals. Any vested Option may be exercised by the participant at any time during the period that terminates on the earlier of: (A) the expiry date of such Option; and (B) the third anniversary of the participant's date of retirement. If an Option remains unexercised upon the earlier of (A) or (B), the Option shall be immediately forfeited and cancelled for no consideration upon the termination of such period. In the case of a vested award other than an Option that is described in (i), such award will be settled within 90 days after the participant's retirement. In the case of a vested award other than an Option that is described in (ii), such award will be settled at the same time the award would otherwise have been settled had the participant remained in active service with the Company or its subsidiary. Notwithstanding the foregoing, if, following his or her retirement, the participant commences (the "Commencement Date") employment, consulting or acting as a director of the Company or any of its subsidiaries (or in an analogous capacity) or otherwise as a service provider to any person that carries on or proposes to carry on a business competitive with the Company or any of its subsidiaries, any Option or other award held by the participant that has not been exercised or settled as of the Commencement Date shall be immediately forfeited and cancelled as of the Commencement Date.

Change of Control

Unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on the Canadian Securities Exchange, the Company may terminate all of the awards, other than an Option held by a participant that is a resident of Canada for the purposes of the Income Tax Act (Canada), granted under the Equity Incentive Plan at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such

Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such participant as determined by the Plan Administrator, acting reasonably, provided that any vested awards granted to U.S. Taxpayers (as defined in the Equity Incentive Plan) will be settled within 90 days of the Change in Control.

Subject to certain exceptions, a "Change in Control" includes (a) any transaction pursuant to which a person or group acquires more than 50% of the outstanding Common Shares, (b) the sale of all or substantially all of the Company's assets, (c) the dissolution or liquidation of the Company, (d) the acquisition of the Company via consolidation, merger, exchange of securities, purchase of assets, amalgamation, statutory arrangement or otherwise, (e) individuals who comprise the Board at the last annual meeting of shareholders (the "Incumbent Board") cease to constitute at least a majority of the Board, unless the election, or nomination for election by the shareholders, of any new director was approved by a vote of at least a majority of the Incumbent Board, in which case such new director shall be considered as a member of the Incumbent Board, or (f) any other event which the Board determines to constitute a change in control of the Company.

The terms and conditions of grants of RSUs and PSUs, including the quantity, type of award, grant date, vesting conditions, vesting periods, settlement date and other terms and conditions with respect to these Awards, will be set out in the participant's grant agreement. Impact of certain events upon the rights of holders of these types of Awards, including termination for cause, resignation, retirement, termination other than for cause and death or long-term disability, will be set out in the participant's grant agreement.

The Board may, in its sole discretion, suspend or terminate the LTIP at any time, or from time to time, amend, revise or discontinue the terms and conditions of the LTIP or of any securities granted under the LTIP and any grant agreement relating thereto, subject to any required regulatory and Canadian Securities Exchange approval, provided that such suspension, termination, amendment, or revision will not adversely alter or impair any Award previously granted except as permitted by the terms of the LTIP or as required by applicable laws.

The Board may amend the LTIP or any securities granted under the LTIP at any time without the consent of a participant provided that such amendment shall: (i) not adversely alter or impair any Award previously granted except as permitted by the terms of the LTIP; (ii) be in compliance with applicable law and subject to any regulatory approvals including, where required, the approval of the Canadian Securities Exchange; and (iii) be subject to shareholder approval, where required by law, the requirements of the Canadian Securities Exchange or the LTIP, provided however that shareholder approval shall not be required for the following amendments and the Board may make any changes which may include but are not limited to:

- amendments of a general "housekeeping" or clerical nature that, among others, clarify, correct or rectify any ambiguity, defective provision, error or omission in the Plan;
- changes that alter, extend or accelerate the terms of vesting or settlement applicable to any Award (other than in respect of any Options held by persons retained to provide Investor Relations Activities for which prior approval of the Canadian Exchange shall be required at all times when the Company is listed on the Canadian Exchange);
- a change to the assignability provisions under the Plan;

- any amendment regarding the effect of termination of a Participant's employment or engagement;
- any amendment to add or amend provisions relating to the granting of cash-settled awards, provision of financial assistance or clawbacks and any amendment to a cash-settled award, financial assistance or clawbacks provisions which are adopted;
- any amendment regarding the administration of the Plan; and
- any amendment necessary to comply with applicable law or the requirements of the Stock Exchange or any other regulatory body having authority over the Company, the Plan or the shareholders of the Company (provided, however, that any Stock Exchange shall have the overriding right in such circumstances to require shareholder of any such amendments);

provided that the alteration, amendment or variance does not:

- increase the maximum number of Common Shares issuable under the LTIP, other than an adjustment pursuant to a change in capitalization;
- reduce the exercise price of Awards;
- permit the introduction or re-introduction of non-employee directors as eligible participants on a discretionary basis or any amendment that increases the limits previously imposed on non-employee director participation;
- remove or exceed the insider participation limits; or
- amend the amendment provisions of the LTIP.

The Company has no equity compensation plans other than the LTIP.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Board is responsible for monitoring and reviewing the salary and benefits of its executive officers, and our general compensation structure, policies and programs in consideration of industry standards and its financial situation and has not formed a compensation committee to assume such responsibilities (although it may do so in the future should the Board become larger). The Board is also responsible for determining the compensation of those directors who currently are not compensated in their capacity as directors, and for the administration of stock options.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Company believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Company as a whole. The primary components of the Company's executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Company's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Company and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Company's long term value; and
5. connect, if possible, the Company's employees into principles 1 through 4 above.

The Board is responsible for the Company's compensation policies and practices. The Board has the responsibility to review and make recommendations concerning the compensation of the directors of the Company and the Named Executive Officers. The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the LTIP. The Board also reviews and approves the hiring of executive officers.

Base Salary

Base salary compensates executives for fulfilling their roles and responsibilities within the organization and aims to retain such executives. The Board determines the amount of base salaries for each of the Named Executive Officers, taking into consideration the recommendation of the Chief Executive Officer, the individual's performance and contributions to the success of the Company, competitive industry pay practices for comparable positions and internal equities among positions. No specific weightings are assigned to each factor, but rather, a subjective determination is made based on a general assessment of the performance of the individual relative to such factors.

Annual Incentives

The Named Executive Officers have an opportunity to earn annual incentive compensation payable as a cash bonus. The annual incentive compensation is intended to link pay to annual performance that will drive shareholder value. Award opportunities vary based on the individual's position and contributions to the performance of the Company. Annual incentive compensation is tied to corporate and individual performance. The determination of corporate and personal performance and final bonus payouts is based on a subjective assessment of such performance and requires considerable discretion.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Company currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Legacy Stock Option Plan.

Pension Disclosure

There are no pension plan benefits in place for the Named Executive Officers or the directors of the Company.

Termination and Change of Control Benefits

The Company does not have in place any pension or retirement plan. The Company has not provided compensation, monetary or otherwise, during the preceding fiscal year, to any person who now acts or has previously acted as a Named Executive Officer or director of the Company in connection with or related to the retirement, termination or resignation of such person. The Company has not provided any compensation to such persons as a result of a change of control of the Company, its subsidiaries or affiliates. The Company is not party to any compensation plan or arrangement with a Named Executive Officer or a director of the Company resulting from the resignation, retirement or the termination of employment of such person.

Other than as otherwise disclosed in this Management Information Circular, no director, executive officer or principal shareholder of the Company, or associate or affiliate of any of the foregoing, has had any material interest, direct or

indirect, in any transaction since the commencement of the Company's most recently completed financial year end or in any proposed transaction that has materially affected or will materially affect the Company.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No director or officer of the Company or person who acted in such capacity in the last financial year of the Company, or any other individual who at any time during the most recently completed financial year of the Company was a director of the Company or any associate of the Company, is indebted to the Company, nor is any indebtedness of any such person to another entity the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company.

AUDIT COMMITTEE INFORMATION REQUIRED IN THE INFORMATION CIRCULAR OF A VENTURE ISSUER

National Instrument 52-110 – *Audit Committees* ("NI 52-110") requires that certain information regarding the Audit Committee of a "venture issuer" (as that term is defined in NI 52-110) be included in the management information circular sent to shareholders in connection with the issuer's annual general meeting of the shareholders of the Company. The Company is a "venture issuer" for the purposes of NI 52-110.

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110

Since the commencement of the Company's most recently completed financial year, the Company has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit);
2. the exemption in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*) of NI 52-110 (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if a circumstance arises that affects the business or operations of the Company and a reasonable person would conclude that the circumstance can be best addressed by a member of the Audit Committee becoming an executive officer or employee of the Company);
3. the exemption in subsection 6.1.1(5) (*Events Outside Control of Member*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if an Audit Committee member becomes a control person of the Company or of an affiliate of the Company for reasons outside the member's reasonable control);
4. the exemption in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company if a vacancy on the Audit Committee arises as a result of the death, incapacity or resignation of an Audit Committee member and the Board was required to fill the vacancy); or
5. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

The Company is a "venture issuer" for the purposes of NI 52-110. Accordingly, the Company is relying upon the exemption in section 6.1 of NI 52-110 providing that the Company is exempt from the application of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter.

Audit Fees

The following table provides details in respect of audit, audit related, tax and other fees billed by the external auditor of the Company for professional services rendered to the Company during the fiscal years ended January 31, 2025 and January 31, 2024:

| | Audit Fees (\$) | Audit-Related Fees (\$) | Tax Fees (\$) | All Other Fees (\$) |
|-----------------------------|--------------------|----------------------------|------------------|------------------------|
| Year ended January 31, 2025 | 21,000 | Nil | 6,750 | Nil |
| Year ended January 31, 2024 | 17,000 | Nil | Nil | 206 |

Audit Fees – aggregate fees billed for professional services rendered by the auditor for the audit of the Company's annual consolidated financial statements as well as services provided in connection with statutory and regulatory filings.

Audit-Related Fees – aggregate fees billed for professional services rendered by the auditor and were comprised primarily of audit procedures performed related to the review of quarterly consolidated financial statements and related documents.

Tax Fees – aggregate fees billed for tax compliance, tax advice and tax planning professional services. These services included reviewing tax returns and assisting in responses to government tax authorities.

All Other Fees – aggregate fees billed for professional services which included accounting advice.

REPORT ON CORPORATE GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Company's approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented.

Board of Directors

The Board is currently composed of four (4) directors. Shareholders will be asked at the Meeting to approve an ordinary resolution that the number of directors elected be fixed at four (4). Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* ("**Form 58-101F2**") requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Company by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director is independent if he or she has no direct or indirect "material relationship" with the company. "Material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is,

or has been within the last three years, an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, of the proposed nominees, Derrick Dao, the Chief Executive of the Company and Anthony Roodenburg, the President of the Company are considered not to be "independent". The remaining two proposed directors are considered by the Board to be "independent" within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the Board has examined the circumstances of each director in relation to a number of factors.

Directorships

The following table sets forth the directors of the Company who currently hold directorships with other reporting issuers:

| Name of Director | Reporting Issuers |
|--------------------|-------------------------------|
| Anthony Roodenburg | Greencastle Resources Ltd. |
| Michael Power | Canterra Minerals Corporation |

Orientation and Continuing Education

The Company has not developed an orientation program for new directors. In order to provide continuing education to directors, the Board has instructed the Corporate Secretary of the Company to supply the directors with updates from time to time, with respect to new legal and regulatory developments which may be of interest to the Board.

Ethical Business Conduct

The Board monitors the ethical business conduct of the Company. The Board believes that the fiduciary duties placed on individual directors by its governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, are currently sufficient to promote a culture of ethical business conduct.

In addition, as some of the Company's directors also serve as directors and officers of other companies engaged in similar business activities, the Board must comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke any such conflict.

Nomination of Directors

Responsibility for identifying new candidates to join the Board belongs to the Board as a whole. The Board encourages all directors to participate in considering the need for and identifying and recruiting new candidates for the Board.

Other Board Committees

At present, the Company does not have any committees other than an Audit Committee. See "Audit Committee" above. The Company has no present intention of creating any other committees but may do so in the future should the Board become larger.

Assessments

Currently the Board has not implemented a formal process for assessing directors.

OTHER MATTERS

The management of the Company knows of no other matters to come before the Meeting other than as set forth in the Notice of Meeting. **However, if other matters which are not known to management should properly come before**

the Meeting, the accompanying form of proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the proxy.

CHARTER OF THE AUDIT COMMITTEE

See attached.

HIGHROCK RESOURCES LTD.

AUDIT COMMITTEE CHARTER

I. Purpose

The primary objective of the Audit Committee (the "**Committee**") of Highrock Resources Ltd. (the "**Company**") is to act as a liaison between the Company's Board of Directors (the "**Board**") and the Company's independent auditors (the "**Auditors**") and to oversee (a) the accounting and financial reporting processes of the Company, including the financial statements and other financial information provided by the Company to its shareholders, the public and others, (b) the Company's compliance with legal and regulatory requirements, (c) the audit of the Company's financial statements, (d) the qualification, independence and performance of the Auditors, and (e) the Company's risk management policies and procedures and internal financial and accounting controls, and management information systems. For greater certainty, references to the financial statements of the Company will include, where applicable, the financial statements of the Company's subsidiary entities.

Although the Committee has the powers and responsibilities set forth in this Charter, the role of the Committee is oversight. The members of the Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Committee to conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the Auditors.

The responsibilities of a member of the Committee are in addition to such member's duties as a member of the Board.

II. Organization

A majority of the members of the Committee will be non-executive directors of the Company who satisfy, at a minimum, the laws governing the Company and the independence, financial literacy and financial experience requirements under applicable securities laws, rules and regulations, stock exchange and any other regulatory requirements applicable to the Company.

Members of the Committee must be financially literate as the Board interprets such qualification in its business judgment. A majority of the members of the Committee will not have participated in the preparation of the financial statements of the Company or any current subsidiary at any time during the past three years. All members will be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

The Committee will consist of three or more directors of the Company, a majority of whom are not executive officers of the Company. The members of the Committee and the Chair of the Committee will be appointed by the Board. A majority of the members of the Committee will constitute a quorum, provided that if there are only three members, the quorum shall be three. A majority of the members of the Committee will be empowered to act on behalf of the Committee.

Matters decided by the Committee will be decided by majority votes. The chair of the Committee will have an ordinary vote and will not be entitled to exercise a casting vote.

Any member of the Committee may be removed or replaced at any time by the Board and will cease to be a member of the Committee as soon as such member ceases to be a director.

The Committee may form and delegate authority to subcommittees when appropriate.

III. Meetings

The Committee will meet as frequently as circumstances require, but not less frequently than four times per year. The Committee will meet at least quarterly with management, the Company's financial and accounting officer(s) and the Auditors in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. Meetings may be held telephonically to the extent permitted by the Company's organizational documents and applicable law. A resolution in writing signed by all members who are entitled to vote on the resolution at the meeting of the Committee is as valid as if it had been passed at a meeting.

In the absence of the appointed Chair of the Committee at any meeting, the members will elect a chair from those in attendance at the meeting. The Chair, in consultation with the other members of the Committee, will set the frequency and length of each meeting and the agenda of items to be addressed at each upcoming meeting.
