NOTICE-AND-ACCESS

Notice is also hereby given that the Corporation has decided to use the notice-and-access method of delivery of meeting materials for the Meeting for beneficial owners of common shares of the Corporation (the "**Non-Registered Holders**") and for registered shareholders. The notice-and-access method of delivery of meeting materials allows the Corporation to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Ontario Securities Commission under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, registered shareholders will receive a form of proxy and the Non-Registered Holders will receive a voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of the notice of Meeting, the management information circular, the annual consolidated financial statements of the Corporation for the financial year ended December 31, 2025, and related management's discussion and analysis and other meeting materials (collectively the "**Meeting Materials**"), shareholders receive a notification with information on how they may access such materials electronically. The use

of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting. The Corporation will not be adopting stratification procedures in relation to the use of notice-and-access provisions.

THIS MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF GREENCASTLE RESOURCES LTD. (the "**Corporation**") of proxies to be used at the annual and special meeting of shareholders of the Corporation to be held on Thursday, June 25, 2026, at the offices of Irwin Lowy LLP at Suite 401, 217 Queen Street West, Toronto, Ontario M5V 0R2 at 10:00 a.m. (Eastern time), and at any adjournment or postponement thereof (the "**Meeting**") for the purposes set out in the accompanying notice of meeting (the "**Notice of Meeting**"). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Notice of Meeting, this management information circular (the "**Management Information Circular**"), the annual consolidated financial statements of the Corporation for the financial year ended December 31, 2025 and related management's discussion and analysis and other meeting materials, if applicable (collectively the "**Meeting Materials**") to the beneficial owners of the common shares of the Corporation (the "**Common Shares**") held of record by such parties. The Corporation may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Corporation. The Corporation may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Corporation in favour of the matters set forth in the Notice of Meeting.

NOTICE-AND-ACCESS

The Corporation has decided to use the notice-and-access ("**Notice-and-Access**") rules provided under NI 54-101 for the delivery of the Meeting Materials to holders of Common Shares who appear on the records maintained by the Corporation's registrar and transfer agent as registered holders of Common Shares ("**Registered Shareholders**") and beneficial owners of Common Shares (the "**Non-Registered Holders**") for the Meeting. The Notice-and-Access method of delivery of Meeting Materials allows the Corporation to deliver the Meeting Materials over the internet in accordance with the Notice-and-Access rules adopted by the Ontario Securities Commission under NI 54-101.

Registered Shareholders will receive a form of proxy and Non-Registered Holders will receive a voting instruction form, enabling them to vote at the Meeting. However, instead of a paper copy of the Meeting Materials, shareholders receive only a notice with information on the date, location and purpose of the Meeting, as well as information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting.

Shareholders may always request paper copies of the Meeting Materials be sent to them by postal delivery at no cost to them. Requests may be made up to one year from the date the Meeting Materials are posted on the Marrelli Trust Company Limited's website. In order to receive a paper copy of the Meeting Materials or if you have questions concerning Notice-and-Access, please contact Marrelli Trust Company Limited, the Corporation's transfer agent and registrar, by calling 1-844-682-5888 or by email at info@marrellitrust.ca. Requests should be received by **June 15, 2026** in order to receive the Meeting Materials in advance of the Meeting date.

Materials can be viewed online under the Corporation's profile at www.sedarplus.ca or on the website of Marrelli Trust Company Limited, the Corporation's transfer agent and registrar, at <https://marrellitrust.ca/2026/05/22/greencastle-resources-ltd/>. APPOINTMENT AND REVOCATION OF PROXIES

A Registered Shareholder may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Management Information Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The purpose of a form of proxy is to designate persons who will vote on the shareholder's behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Corporation. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the Corporation's transfer agent and registrar, Marrelli Trust Company Limited (the "**Transfer Agent**"), not later than 10:00 a.m. (Eastern time) on Tuesday, June 23, 2026, or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies may be deposited with the Transfer Agent using one of the following methods:

By Mail or Hand Delivery:	Marrelli Trust Company Limited c/o DSA Corporate Services L.P. 82 Richmond Street East Toronto, Ontario M5H 4H1
By Fax:	416-360-7812
By Internet:	www.voteproxy.ca You will need to provide your control number (located on the form of proxy accompanying this Management Information Circular)

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it: (a) by depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof at, or by transmitting by telephone or electronic means, a revocation signed, subject to the *Business Corporations Act* (Ontario), by electronic signature, to (i) the registered office of the Corporation, located at 82 Richmond Street East, Toronto, Ontario M5C 1P1, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration, as stated elsewhere in this Management Information Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Management Information Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Corporation, as a substantial number of shareholders of the Corporation do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a Non-Registered Holder are registered either: (i) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) (each a "**Clearing Agency**") of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Corporation has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Corporation or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Corporation's OBOs can expect to be contacted by their Intermediary. The Corporation does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a "**VIF**"). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

Form of Proxy. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder, but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominee's name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Corporation as maintained by the Transfer Agent unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The holders of Common Shares of record at the close of business on the record date, set by the directors of the Corporation to be Monday, May 11, 2026 (the "**Record Date**"), are entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share held.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Registered Shareholder and proxy holder will have one vote and, on a poll, every Registered Shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the directors and executive officers of the Corporation, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares, other than as set forth below:

If the Board determines to consolidate the common shares on a lesser basis, more common shares will remain outstanding following the Consolidation. Any fractional common shares arising from the Consolidation will be rounded down to the nearest whole common share. In all other respects, the post-consolidated common shares will have the same attributes as the existing common shares.

The Corporation believes that the Consolidation will both enhance the marketability of the Corporation as an investment and better position the Corporation to raise the funds necessary for the continued development of its business and the growth of the Corporation.

At the Meeting, shareholders will be asked to consider and, if deemed advisable, approve the Consolidation Resolution authorizing the Board to proceed with the Consolidation. The Consolidation Resolution is a special resolution and, as such, requires approval by not less than two-thirds of the votes cast by the shareholders

present, or represented by proxy, at the Meeting. The full text of the Consolidation Resolution which management of the Corporation intends to place before the Meeting for approval, with or without modification, is as follows:

"BE IT RESOLVED, as a special resolution of the Corporation's shareholders that:

1. the directors of the Corporation be authorized to effect the consolidation (the "**Consolidation**") of all of the issued and outstanding common shares without par value in the capital of the Corporation (the "**Common Shares**") on the basis of up to ten (10) pre-Consolidation Common Shares for one (1) post-Consolidation Common Share (10:1);
2. the directors of the Corporation be and are hereby authorized to fix the ratio of the pre-Consolidation to post-Consolidation Common Shares to be used in the Consolidation (the "**Final Consolidation Ratio**"), provided that the maximum Final Consolidation Ratio will not exceed ten (10) pre-Consolidation Common Shares for one (1) post-Consolidation Common Share (10:1);
3. any fractional Common Shares resulting from the Consolidation will be rounded down to the nearest whole Common Share;
4. upon the Consolidation being effected, any officer or director of the Corporation is authorized to cancel (or cause to be cancelled) any certificates evidencing the existing Common Shares and to issue (or cause to be issued) certificates representing the new Common Shares to the holders thereof;
5. the directors of the Corporation, in their sole and complete discretion, may act upon this resolution to effect the Consolidation or, if deemed appropriate and without any further approval from the shareholders of the Corporation, may choose not to act upon this resolution notwithstanding that this resolution has been duly passed by the shareholders of the Corporation, and in the latter case, the directors of the Corporation are hereby authorized and empowered to revoke this resolution in their sole discretion at any time prior to effecting the Consolidation; and
6. any director or officer of the Corporation be and he or she is hereby authorized and directed, for and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise and to deliver or to cause to be delivered all such other deeds, documents, instruments and assurances and to do or cause to be done all such other acts as in the opinion of such director or officer of the Corporation may be necessary or desirable to carry out the terms of the foregoing resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination.

The Board recommends that shareholders vote in favour of the Consolidation Resolution. If the Consolidation Resolution does not receive the requisite shareholder approval, the Corporation will continue with its present share capital.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE CONSOLIDATION RESOLUTION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE VOTED AGAINST THE CONSOLIDATION RESOLUTION.

5. APPROVAL AND CONFIRMATION OF STOCK OPTION PLAN

The Corporation has adopted an incentive stock option plan, as amended (the "**Plan**" or "**Stock Option Plan**") for senior officers, directors, employees and consultants of the Corporation in line with the policies of the TSX Venture Exchange ("**TSXV**") as revised on November 24, 2021 (the "**Revised Policy**"). The Stock Option Plan was last approved and confirmed by the shareholders of the Corporation at the last annual and special meeting of shareholders held on Wednesday, July 30, 2025.

The purpose of the Plan is to encourage Common Share ownership by directors, officers, employees and consultants of the Corporation. Currently, the only types of security-based compensation that have been granted by the Corporation and that remain outstanding are stock options, of which there are 3,621,067 outstanding.

The Plan is a "rolling" plan as the number of Common Shares reserved for issuance pursuant to the grant of stock options will increase as the Corporation's issued and outstanding share capital increases. At no time will more than 10% of the outstanding Common Shares be subject to grant under the Plan. If a stock option expires, is exercised or otherwise terminates for any reason, the number of Common Shares of the Corporation in respect of that expired, exercised or terminated stock option shall again be available for grant for the purpose of the Plan. The principal features of the Plan are described in more detail below in the section entitled "*Statement of Executive Compensation – Stock Option Plan and other Incentive Plans*".

Under the Revised Policy, the Corporation must obtain shareholder approval of the Plan at the Meeting. In addition, because the Plan is a "rolling" 10% plan under the Revised Policy, the Corporation's shareholders must approve the Plan at each subsequent annual meeting of the shareholders. Accordingly, shareholders will be asked to approve the following resolution:

"BE IT RESOLVED THAT:

1. the stock option plan of the Corporation as described in the management information circular dated May 14, 2026, be and it is hereby confirmed and approved."

In accordance with the policies of the TSXV, the Plan must be approved by a majority of votes cast at the Meeting on the resolution.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE STOCK OPTION PLAN RESOLUTION UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.

Carmelo Marrelli Chief Financial Officer	stock options	222,933	222,933 Common Shares

The Corporation did not grant any compensation securities to the Named Executive Officers or the directors of the Corporation during the most recently completed financial year of the Corporation.

Stock Option Plan and other Incentive Plans

On November 24, 2021, the TSXV adopted the Revised Policy governing security-based compensation. The changes to the Revised Policy generally relate to the expansion of the policy to cover a number of types of security-based compensation in addition to stock options.

The purpose of the Plan is to advance the interests of the Corporation by encouraging equity participation in the Corporation through the acquisition of Common Shares. The Plan is administered by the Board, which has full and final authority with respect to the granting of all stock options thereunder.

The Plan provides that the aggregate number of securities reserved for issuance under the Plan, combined with any other compensation securities of the Corporation will not exceed 10% of the number of Common Shares issued and outstanding from time to time. Stock options ("**Options**") may be granted under the Plan to service providers of the Corporation and its affiliates, as the Board may from time to time designate. The exercise price of each Option shall be determined by the Board in its sole discretion, at the time such Option is allocated under the Plan and cannot be less than the Discounted Market Price (as defined in the policies of the TSXV). All Options granted under the Plan will expire no later than the date that is ten (10) years from the date that such Options are granted.

Currently, the only types of security-based compensation that have been granted by the Corporation and that remain outstanding are stock options, of which there are 3,621,067 outstanding.

The Plan provides for the following restrictions: (a) no service provider of the Corporation may be granted an Option if that option would result in the total number of Options granted to the Participant in the previous 12 months, exceeding 5% of the issued and outstanding Common Shares unless the Corporation has obtained disinterested shareholder approval in accordance with TSXV policies; (b) the aggregate number of Options granted to service providers of the Corporation conducting Investor Relations Activities (as defined in the policies of the TSXV) in any 12 month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time of grant; and (c) the aggregate number of Options granted to any one consultant in any 12 month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time of grant, without prior consent of the TSXV.

If a holder of Options (the "**Optionee**") ceases to be a director or officer of the Corporation or ceases to be employed by the Corporation (other than by reason of death), or ceases to be a consultant of the Corporation as the case may be, Options may be exercised after the Optionee has left his/her employ/office or has been advised by the Corporation that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows: (a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option; (b) an Option granted to any Service Provider will expire 90 days (or such other time, not to exceed one year, as shall be determined by the board of directors of the Corporation as at the date of grant or agreed to by the board of directors of the Corporation and the Optionee at any time prior to expiry of the Option) after the date of termination, and only to the extent that such Option was vested at the date of termination; and (c) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal, will immediately terminate on the date of termination without right to exercise same.

Optionees may elect to exercise an Option, in whole or in part, on a "cashless exercise" ("**Cashless Exercise**") basis or a "net exercise" ("**Net Exercise**") basis. In connection with a Cashless Exercise of Options, a brokerage firm will loan money to an Optionee to purchase Common Shares underlying the Options, and will sell a sufficient number of Common Shares to cover the exercise price of the Options in order to repay the loan made to the Optionee and the Optionee retains the balance of the Common Shares. In connection with a Net Exercise of Options, an Optionee would receive such number of Common Shares equal in value to the difference between the Option price and the fair market value of the Common Shares on the date of exercise, computed in accordance with the terms of the Plan.

The foregoing information is intended to be a brief description of the Plan and is qualified in its entirety by the full text of the Plan. The Corporation has no equity compensation plans other than the Plan.

Employment, Consulting and Management Agreements

The Corporation has entered into the following consulting agreements with its Named Executive Officers, either directly or through a subsidiary or affiliate:

Albert Contardi – Chief Executive Officer and Director

Pursuant to a consulting agreement made as of February 27, 2026, the Corporation engaged the services of 2362516 Ontario Inc. (the “**Contractor**”), pursuant to which Albert Contardi was appointed to serve as Chief Executive Officer of the Corporation for a fee of \$10,000 per month. Mr. Contardi, through the Contractor, will provide leadership to position the Corporation at the forefront of the energy sector and perform such duties and responsibilities as are typically associated with the role of Chief Executive Officer, including such duties as may be prescribed by the board of directors of the Corporation. The Contractor is also entitled to reimbursement for reasonable pre-approved expenses incurred in connection with the performance of such services. The agreement may be terminated by the Corporation upon not less than 30 days’ prior written notice to the Contractor (or payment in lieu thereof), and by the Contractor upon 15 days’ written notice to the Corporation. In the event of termination, the Contractor is entitled to receive any consulting fees and expenses accrued up to the effective date of termination, and no further amounts shall be payable. There are no provisions for the payment of bonuses or the grant of equity-based compensation under the consulting agreement.

There are no employment agreements in place with any of the independent directors of the Corporation.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Board, at the recommendation of the management of the Corporation, determines the compensation payable to the directors of the Corporation and reviews such compensation periodically throughout the year. For their role as directors of the Corporation, each director of the Corporation who is not a Named Executive Officer receives fees in the amount of \$20,000 a year and may, from time to time, be awarded stock options under the provisions of the Stock Option Plan. There are no other arrangements under which the directors of the Corporation who are not Named Executive Officers were compensated by the Corporation or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Corporation.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Corporation believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Corporation as a whole. The primary components of the Corporation's executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Corporation's executive compensation program:

1. align interests of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Corporation and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Corporation's long-term value; and
5. connect, if possible, the Corporation's employees into principles 1 through 4 above.

The Board is responsible for the Corporation's compensation policies and practices. The Board has the responsibility to review and make recommendations concerning the compensation of the directors of the Corporation and the Named Executive Officers within the constraints of the agreements described under "*Employment, Consulting and Management Agreements*". The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan. The Board also reviews and approves the hiring of executive officers.

Base Salary

The Board approves the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on an assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Corporation's peer group is also accumulated from a number of external sources including independent consultants. The Corporation's policy for determining salaries for executive officers of the Corporation is consistent with the administration of salaries for all other employees.

Annual Incentives

The Corporation is not currently awarding any annual incentives by way of cash bonuses. However, the Corporation, in its discretion, may award such incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Corporation in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to the needs of the Corporation that arise on a day-to-day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Corporation currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan.

Pension Disclosure

There are no pension or retirement plan benefits in place for the Named Executive Officers or the directors of the Corporation.

Termination and Change of Control Benefits

The Corporation has not provided compensation, monetary or otherwise, during the preceding fiscal year, to any person who now acts or has previously acted as a Named Executive Officer or director of the Corporation in connection with or related to the retirement, termination or resignation of such person. The Corporation has not provided any compensation to such persons as a result of a change of control of the Corporation, its subsidiaries or affiliates. Other than as disclosed in the section entitled "*Statement of Executive Compensation – Employment, Consulting and Management Agreements*" in this Management Information Circular, the Corporation is not party to any compensation plan or arrangement with Named Executive Officers or directors of the Corporation resulting from the resignation, retirement or the termination of employment of such person.

Audit Committee Oversight

Since the commencement of the Corporation's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110

Since the commencement of the Corporation's most recently completed financial year, the Corporation has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Corporation's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Corporation, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit);
2. the exemption in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*) of NI 52-110 (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if a circumstance arises that affects the business or operations of the Corporation and a reasonable person would conclude that the circumstance can be best addressed by a member of the Audit Committee becoming an executive officer or employee of the Corporation);
3. the exemption in subsection 6.1.1(5) (*Events Outside Control of Member*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if an Audit Committee member becomes a control person of the Corporation or of an affiliate of the Corporation for reasons outside the member's reasonable control);
4. the exemption in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if a vacancy on the Audit Committee arises as a result of the death, incapacity or resignation of an Audit Committee member and the Board was required to fill the vacancy); or
5. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

The Corporation is a "venture issuer" for the purposes of NI 52-110. Accordingly, the Corporation is relying upon the exemption in section 6.1 of NI 52-110 providing that the Corporation is exempt from the application of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter.

Audit Fees

The following table provides details in respect of audit, audit-related, tax and other fees billed by the external auditor of the Corporation for professional services rendered to the Corporation during the fiscal years ended December 31, 2025 and December 31, 2024:

- (4) Aggregate fees billed for professional services which included accounting advice and association fees.

REPORT ON CORPORATE GOVERNANCE

The Corporation believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Corporation's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Corporation at its current stage of development and therefore these guidelines have not been adopted. The Corporation will continue to review and implement corporate governance guidelines as the business of the Corporation progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Corporation's approach to governance and outlines the various procedures, policies and practices that the Corporation and the Board have implemented.

Board of Directors

The Board is currently composed of three directors. At the Meeting, three proposed directors will stand for election as directors of the Corporation. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* ("**Form 58-101F2**") requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Corporation by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director is independent if he or she has no direct or indirect "material relationship" with the Corporation. "Material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere

with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, of the proposed nominees, Albert Contardi, Chief Executive Officer, is an executive officer of the Corporation and is considered not to be "independent". The remaining two proposed directors, Mr. Forno and Mr. Irwin, are considered by the Board to be "independent", within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the Board has examined the circumstances of each director in relation to a number of factors.

The following table sets forth the current directors and the proposed directors of the Corporation who currently hold directorships with other reporting issuers:

Additionally, historically board members have been nominated who are familiar with the Corporation and the nature of its business.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct, but does promote ethical business conduct through the nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having at least two of its Board members independent of corporate matters.

Nomination of Directors

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board are reviewed by the entire Board.

Other Board Committees

The Board has established an Audit Committee and a Compensation, Human Resources, Corporate Governance and Nominating Committee.

Assessments

Currently, the Board has not implemented a formal process for assessing directors.
