The accompanying Information Circular provides additional information relating to the matters to be dealt with at the Meeting and is supplemental to, and expressly made a part of, this Notice of Meeting.

This year, the Company has decided to take advantage of the notice-and-access model provided for under amendments to National Instrument 54-101 101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**Notice and Access**”) for the delivery of its Information Circular, the Company’s audited financial statements and the Management’s Discussion & Analysis for the financial year ended April 30, 2026 (collectively, the “**Meeting Materials**”), to its shareholders in respect of the Meeting.

Under Notice and Access, instead of receiving paper copies of the Information Circular, shareholders will be receiving a notice with information on how they may access the Meeting Materials electronically. However, shareholders will receive a proxy or voting instruction form, as applicable, enabling them to vote at the Meeting. The use of this alternative means of delivery is more environmentally friendly, as it will help reduce paper use and it will also reduce the Company’s printing and mailing costs.

The Meeting Materials will be available on the Marrelli Trust Company Limited's website at <https://marrellitrust.ca/2026/10/06/krait-critical-minerals/com/>, as of October 6, 2026 and will remain on the website for one full year thereafter. The Meeting Materials are also available upon request, without charge, by e-mail at kelly@kraitminerals.com or by calling 604-505-9756, or can be accessed online on SEDAR+ at www.sedarplus.ca as of October 6, 2026. The Company will mail paper copies of the Meeting Materials to those registered and beneficial shareholders who have previously elected to receive paper copies of the Company's Meeting Materials. All other shareholders will receive a Notice and Access notification, which will contain information on how they may access the Meeting Materials electronically in advance of the Meeting.

The board of directors of the Company has fixed September 29, 2026 as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting and at any adjournment or postponement thereof. Each registered shareholder at the close of business on that date is entitled to such notice and to vote at the Meeting in the circumstances set out in the accompanying Information Circular.

If you are a registered shareholder of the Company and unable to attend the Meeting in person, please vote by proxy by following the instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) before the time and date of the Meeting or any adjournment or postponement thereof.

If you are a non-registered shareholder of the Company and received this Notice of Meeting and accompanying materials through a broker, a financial institution, a participant, or a trustee or administrator of a retirement savings plan, retirement income fund, education savings plan or other similar savings or investment plan registered under the *Income Tax Act* (Canada), or a nominee of any of the foregoing that holds your securities on your behalf (each, an "Intermediary"), please complete and return the materials in accordance with the instructions provided to you by your Intermediary.

INTRODUCTION

This information circular (the “**Information Circular**”) accompanies the notice of annual general and special meeting of shareholders (the “**Notice**”) of Krait Critical Minerals Corp. (the “**Company**”) and is furnished to shareholders (each, a “**Shareholder**”) holding common shares (each, a “**Share**”) of the Company in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting (the “**Meeting**”) of the Shareholders to be held at 9:00 a.m. on Monday, November 9, 2026 via Zoom at:

<https://us06web.zoom.us/j/86245097543?pwd=qaEaKnkEgrDqrhbaHIWWZmBh9tDI2W.1>

Meeting ID: 862 4509 7543
Passcode: 727073

or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is October 5, 2026. Unless otherwise stated, all amounts herein are in Canadian dollars.

NOTICE AND ACCESS PROCESS

The Company has decided to use the notice and access mode (“**Notice and Access**”) provided for under amendments to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* for the delivery of the Information Circular, audited financial statements and management’s discussion and analysis for the financial year ending April 30, 2026 (collectively, the “**Circular and Financials**”) to Shareholders for the Meeting. The Company has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Circular and Financials, shareholders receive a notice (“**Notice and Access Notice**”) with information on the Meeting date, location and purpose, as well as information on how they may access the Circular and Financials electronically.

Shareholders with existing instructions on their account to receive printed materials and those shareholders with addresses outside of Canada and the United States will receive a printed copy of the Circular and Financials with the Notice and Access Notice.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation to any of the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of

proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers who are NOBOs (as defined below), and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of September 29, 2026 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

The Shareholder may vote by mail, by telephone or via the Internet by following instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The Chairman of the Meeting, in his sole discretion, may accept completed forms of proxy on the day of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at anytime before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the

corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares of a Shareholder on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to the names of all Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order

to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by his, her or its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his, her or its broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of non-objecting beneficial owners (each, a "**NOBO**") and objecting beneficial owners (each, an "**OBO**"). A NOBO is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") of the Canadian Securities Administrators. An OBO means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to NOBOs of the Shares using Notice and Access. The Company will not pay for the delivery of proxy-related materials to OBOs of the Shares under NI 54-101 and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*. The OBOs of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Shares without par value. As of the record date, determined by the board of directors of the Company (the "**Board**") to be the close of business on September 29, 2026, a total of 16,241,596 Shares were issued and outstanding. Each Share carries the right to one vote at the Meeting.

Only registered Shareholders as of the record date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to the outstanding Shares of the Company.

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at four (4). An ordinary resolution needs to be passed by a simple majority of the votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

Management recommends the approval of setting the number of directors of the Company at four (4).

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting, or until their successors are duly elected or appointed in accordance with the Company's Articles or until such director's earlier death, resignation or removal.

The Company's Articles contain an advance notice provision (the "**Advance Notice Provision**") of the nomination of directors in certain circumstances. To be timely, the advance notice by the nominating Shareholder (the "**Nominating Shareholder**") must be made:

- (a) in the case of an annual meeting of shareholders, not less than 30 nor more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is called for a date that is less than 40 days after the date (the "**Notice Date**") on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth (10th) day following the Notice Date; and
- (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

No nominations of directors for the Meeting by the Nominating Shareholders were received in accordance with the provisions of the Advance Notice Provision.

Management of the Company proposes to nominate all of the current directors of the Company, as set out in the table below, for election by the Shareholders as directors of the Company. Information concerning such persons, as furnished by the individual nominees, is as follows:

Stock Option Plans and Other Incentive Plans

The Board has adopted an Equity Incentive Plan (the “**Equity Incentive Plan**”) under which stock options (each, a “**Stock Option**”), restricted share units (each, an “**RSU**”), performance share units (each, a “**PSU**”) and deferred share units (each, a “**DSU**”) may be granted or awarded to the Company’s directors, officers, employees and consultants.

The Equity Incentive Plan is an omnibus “rolling” equity incentive plan pursuant to which the aggregate number of Shares reserved for issuance thereunder, together with any other security-based compensation arrangements of the Company, will not exceed 10% of the issued and outstanding Shares of the Company from time to time, subject to adjustment in accordance with the terms of the plan. The number of Shares available for issuance will increase or decrease as the number of issued and outstanding Shares changes.

The Equity Incentive Plan is administered by the Board (or a committee thereof), which has the discretion to determine the participants to whom awards may be granted, the type and number of awards granted, and the terms and conditions of such awards, including vesting, performance criteria, settlement and termination provisions. Awards may be settled in Shares, cash, or a combination thereof, as determined by the Board.

As of the date of this Information Circular there are nil Stock Options outstanding and nil RSUs, PSUs and DSUs awarded under the Equity Incentive Plan.

A copy of the Equity Incentive Plan is attached to this Information Circular as Schedule “A”. The above summary is qualified in its entirety by the full text of the Equity Incentive Plan.

Shareholders will be asked to approve the Equity Incentive at the Meeting. For further details regarding the terms of the Omnibus Plan, see below under the heading “*Particulars of Matters to be Acted Upon – Approval of Omnibus Incentive Plan*”.

Employment, Consulting and Management Agreements

Other than as described below, there are no employment contracts or arrangements in existence between the Company and any NEO, director or officer of the Company. There is no arrangement or agreement made between the Company and any of its NEOs pursuant to which a payment or other benefit is to be made or given by way of compensation in the event of that officer’s resignation, retirement or other termination of employment, or in the event of a change of control of the Company or a change in the NEO’s responsibilities following such a change of control.

The Company entered into a consulting agreement dated January 14, 2025, as amended on May 29, 2025, with Oscar Mendoza (the “**Mendoza Consulting Agreement**”), the CEO and a director of the Company, pursuant to which Mr. Mendoza provides services as an independent contractor. Under the terms of the Mendoza Consulting Agreement, Mr. Mendoza is entitled to receive monthly consulting fees of USD\$10,000 per month (equivalent to approximately \$14,000 per month based on current exchange rates) and may be eligible for milestone-based equity compensation, discretionary bonuses and equity-based compensation, including Stock Options, RSUs or DSUs, as determined by the Board.

Pursuant to the Mendoza Consulting Agreement, Mr. Mendoza may become entitled to receive milestone-based share compensation upon the achievement the following specified milestones: (i) 100,000 Shares upon the listing of the Company on a recognized Canadian securities exchange; (ii) 100,000 Shares upon the listing of the Company on a U.S. over-the-counter market; (iii) 100,000 Shares upon the listing of the Company on a European market; (iv) 200,000 Shares upon the Company achieving a market capitalization of \$25,000,000; (v) 200,000 Shares upon the Company achieving a market capitalization of \$50,000,000; and (vi) 200,000 Shares upon the Company completing, following listing on a recognized Canadian securities exchange, financings for aggregate gross proceeds of at least \$5,000,000.

The milestone-based share compensation described above represents contingent contractual entitlements only and does not constitute issued or outstanding securities of the Company. Such compensation will only become payable if and when the applicable milestone is achieved.

The consulting agreement has an initial term of twelve months and may be terminated by either party on sixty (60) days' written notice. The Mendoza Consulting Agreement also provides for the payment of earned but unpaid milestone compensation upon termination and includes change of control provisions pursuant to which Mr. Mendoza may be entitled to a payment equal to three times his annual remuneration under certain circumstances.

The Company does not currently have a written employment agreement, consulting agreement or management agreement with its CFO. The Company's CFO presently provides services to the Company on an informal basis. The Board intends to review and determine the appropriate compensation arrangements for the CFO having regard to the Company's financial condition, available working capital, responsibilities of the position and prevailing market practices. The Company currently anticipates annual compensation payable to the CFO of approximately \$90,000. Such anticipated compensation reflects management's current expectations regarding the post-Listing compensation of the CFO and does not represent compensation currently payable pursuant to a written employment, consulting or management agreement.

Oversight and Description of Director and NEO Compensation

The Board will be responsible for setting the overall compensation strategy of the Company and administering the Company's executive compensation program with input from the CEO of the Company in respect of all executive officers other than the CEO. As part of its mandate, the Board will approve the remuneration of the Company's executive officers, including any NEOs of the Company. The Board will also be responsible for reviewing the Company's compensation policies and guidelines generally.

The objective of the Company's executive compensation program will be to motivate, reward, and retain management talent that is needed to achieve the Company's business objectives. The compensation program is designed to ensure that compensation is competitive with other companies of similar size and is commensurate with the experience, performance, and contribution of the individuals involved and the overall performance of the Company. In evaluating performance, consideration is given to the Company's long-term interests and quantitative financial objectives, as well to the qualitative aspects of the individual's performance and achievements. Compensation for directors of the Company, if any, will also be determined by the Board on an annual basis.

Historically, the Company has compensated certain members of management through consulting and management fee arrangements. During the year ended April 30, 2026, the Company incurred management fees of \$200,284 and, during the period ended April 30, 2025, incurred management fees of \$50,533. Such amounts related to services provided by management personnel and were not solely attributable to service in a director capacity.

Other than the compensation arrangements described below, the Company has not determined any formal compensation arrangements for its directors. Compensation payable to directors will be reviewed periodically by the Board having regard to the Company's financial condition, available cash resources, governance requirements, responsibilities of individual directors and prevailing market practices for similarly situated issuers.

In order to preserve working capital during the Company's early stages as a reporting issuer, the Company currently anticipates that compensation payable to directors and non-executive board members, if any, may consist primarily of equity-based awards under the Equity Incentive Plan, including Stock Options, RSUs and DSUs, rather than significant cash compensation.

Compensation Objectives and Principles

The compensation program for the senior management of the Company will be designed to ensure that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining qualified executives;
- (b) motivating the short and long-term performance of these executives; and
- (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company may utilize a combination of consulting fees, salaries, discretionary cash compensation and equity-based compensation through the Equity Incentive Plan. The form and amount of compensation payable to executive officers will depend on the duties and responsibilities of the applicable individual, the Company's financial condition, available cash resources, market conditions and the contribution of the individual to the Company. The Company does not currently maintain a formal compensation policy and compensation arrangements may be determined or modified by the Board from time to time. The Company does not provide retirement benefits to its directors or executive officers.

Elements of Compensation

The Company's executive compensation arrangements currently consist primarily of consulting fees and potential equity-based compensation. As of the date of this Information Circular, the Company has determined compensation arrangements for its CEO pursuant to the Mendoza Consulting Agreement and has established anticipated post-listing compensation levels for its CFO for budgeting purposes. Compensation arrangements for other executive officers and directors will be determined by the Board from time to time.

As the Company develops, the Board may determine to implement additional forms of executive compensation, including salaries, discretionary cash bonuses and other incentive compensation. The Company expects that any compensation program adopted will be designed to attract and retain qualified management personnel while preserving available working capital.

Base Salary

Executive officers may receive compensation in the form of salaries, consulting fees or other cash compensation arrangements, depending on the nature of their engagement with the Company. The Board will review executive officer compensation from time to time, taking into account the responsibilities of the executive officer, the Company's financial condition, market practices and the executive officer's contribution to the Company.

Bonus Incentive Compensation

The Board may, from time to time, approve discretionary cash or equity-based incentive compensation for executive officers having regard to individual and corporate performance, achievement of strategic objectives, retention considerations and the Company's available financial resources. In addition, compensation arrangements with executive officers may include milestone-based equity compensation tied to the achievement of specified corporate objectives, financing milestones, Listing milestones or other matters approved by the Board.

As of the date of this Information Circular, the only milestone-based compensation arrangement entered into by the Company is the milestone-based share compensation which may become issuable as described under the Mendoza Consulting Agreement. That said, no cash milestone compensation

remains payable under the Mendoza Consulting Agreement following the amendment thereto dated May 29, 2026.

Equity Participation

Equity participation will be accomplished through the Equity Incentive Plan. Stock Options, RSUs, DSUs, and PSUs, as applicable, may be granted to executives, employees or contractors considering a number of factors, including the amount and term of equity securities previously granted, base salary and bonuses and competitive factors. The amounts and terms of Stock Options, RSUs, DSUs, and PSUs are determined by the Board in accordance with applicable securities laws.

Compensation Process

The Company does not anticipate having a compensation committee or a formal compensation policy. The Company will rely solely on the directors to determine the compensation of any NEOs. In determining compensation, the directors will consider industry standards and the Company's financial situation, but the Company will not have any formal objectives or criteria. The performance of each executive officer will be informally monitored by the directors, having in mind the business strengths of the individual and the purpose of originally appointing the individual as an officer.

In establishing compensation for executive officers, the Board as a whole seeks to accomplish the following goals:

- to recruit and subsequently retain highly qualified executive officers by competitive offering overall compensation;
- to motivate executives to achieve important corporate and personal performance objectives and reward them when such objectives are met; and
- to align the interests of executive officers with the long-term interests of shareholders through participation in the Equity Incentive Plan.

When considering the appropriate executive compensation to be paid to our officers, the Board will have regard to a number of factors including: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; (iv) rewarding performance, both on an individual basis and with respect to operations generally; and (v) available financial resources.

Option-Based Awards

Long-term incentives in the form of Stock Options are intended to align the interests of our directors and executive officers with those of the Company's shareholders and to provide a long-term incentive to reward those individuals for their contribution to the generation of shareholder value, while reducing the burden of cash compensation that would otherwise be payable by the Company. In addition to Stock Options, long-term incentives may also be granted in the form of RSUs, DSUs and PSUs, which are intended to provide retention incentives and further align the interests of participants with the long-term performance of the Company.

The Equity Incentive Plan is administered by the Board. In determining the number of incentive Stock Options to be granted to the NEOs, the Board will have regard to several considerations including previous grants of Stock Options and the overall number of outstanding Stock Options relative to the number of outstanding Shares, as well as the degree of effort, time, responsibility, ability, experience and level of commitment of the executive officer. In determining awards of RSUs, DSUs and PSUs, the Board may consider similar factors, including performance objectives, retention considerations and alignment with shareholder interests.

Pension Plan Benefits

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.

Since the commencement of the Company's most recently completed financial year, the Board has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions in Sections 2.4, 6.1.1(4), 6.1.1(5) or Part 8 of NI 52-110. Section 2.4 (*De Minimis Non-audit Services*) provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the financial year in which the non-audit services were provided. Sections 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*), 6.1.1(5) (*Events Outside Control of Member*) and 6.1.1(6) (*Death, Incapacity or Resignation*) provide exemptions from the requirement that a majority of the members of the Company's Audit Committee must not be executive officers, employees or control persons of the Company or of an affiliate of the Company. INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No current or former director, executive officer, proposed nominee for election to the Board, or associate of such persons is, or at any time since the beginning of the Company's most recently completed financial year has been, indebted to the Company or any of its subsidiaries.

No indebtedness of current or former director, executive officer, proposed nominee for election to the Board, or associate of such person is, or at any time since the beginning of the most recently completed financial year has been, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or any of its subsidiaries.

MANAGEMENT CONTRACTS

There were no management functions of the Company, which were, to any substantial degree, performed by a person other than the directors or executive officers of the Company, except as otherwise described in this Information Circular.

CORPORATE GOVERNANCE

Pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices*, the Company is required to disclose its corporate governance practices as follows:

Board of Directors

The Board consists of four persons, two of whom the Company believes to be independent based upon the tests for independence set forth in NI 52-110, including Messrs. James (Garry) Clark and Dillon Sharan. Oscar Mendoza is the CEO and Steven Vanry is the CFO and Secretary of the Company and are, therefore, not independent.

NP 58-201 suggests that the board of directors of reporting issuers should be constituted with a majority of individuals who qualify as "independent" directors. An "independent" director is a director who has no direct or indirect material relationship with the Company. A material relationship is a relationship that could, in the view of the board of directors, reasonably interfere with the exercise of a director's independent judgment. In addition, the independent judgment of the Board in carrying out its responsibilities is the responsibility of all directors. The Board facilitates independent supervision of management through meetings of the Board and through frequent informal discussions among

independent members of the Board and management. In addition, the Board has access to the Company's external auditors, legal counsel and to any of the Company's officers.

The Board recommends nominees to the shareholders for election as directors, and immediately following each annual general meeting appoints an Audit Committee.

The Board exercises its independent supervision over management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material transactions of the Company are subject to prior approval of the Board. To facilitate open and candid discussion among its independent directors, such directors are encouraged to communicate with each other directly to discuss ongoing issues pertaining to the Company.

Certain directors of the Company are currently also directors of other reporting issuers, as described in the table below:

Orientation and Continuing Education

While the Company does not have formal orientation and training programs, orientation of new members of the Board is conducted by informal meetings with members of the Board, briefings by management, and the provision of copies of or access to the Company's documents.

The Company has not adopted formal policies respecting continuing education for Board members. Board members are encouraged to communicate with management, legal counsel, auditors and

consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance, and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Company does not have a formal process or committee for proposing new nominees for election to the Board. The nominees proposed are generally the result of recruitment efforts by the members of the Board, including both formal and informal discussions among the members of the Board.

Compensation

The Company does not have a stand-alone nomination committee. The full Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the industry are consulted for possible candidates.

Other than as disclosed in the Company's audited financial statements for the year ended April 30, 2026, and for the period from incorporation on January 14, 2025 to April 30, 2025, included in **Error! Reference source not found.** to the Company's Prospectus, the Company has not provided compensation to members of the Board at any time and does not intend to provide compensation to any director in the near term other than through awards of Stock Options, RSUs, DSUs or PSUs, pursuant to the Equity Incentive Plan.

Other Board Committees

The Board has no other committees other than the Audit Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees. On an ongoing annual basis, the Board assesses the performance of the Board as a whole, each of the individual directors and each committee of the Board in order to satisfy itself that each is functioning effectively.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of Equity Incentive Plan

At the Meeting, Shareholders will be asked to consider and, if thought advisable, pass an ordinary resolution approving the Equity Incentive Plan in the form set out as Schedule “A” attached to this Information Circular.

The following information is intended as a brief description of the Equity Incentive Plan and is qualified in its entirety by the full text of the Equity Incentive Plan.

On February 20, 2025, the Board adopted the Equity Incentive Plan. The Omnibus Plan provides flexibility to the Company to grant equity-based incentive awards in the form of Stock Options, RSUs, PSUs and DSUs.

The Equity Incentive Plan is an omnibus “rolling” equity incentive plan pursuant to which the aggregate number of Shares reserved for issuance thereunder, together with any other security-based compensation arrangements of the Company, will not exceed 10% of the issued and outstanding Shares of the Company from time to time, subject to adjustment in accordance with the terms of the plan. The number of Shares available for issuance will increase or decrease as the number of issued and outstanding Shares changes.

The Equity Incentive Plan is administered by the Board (or a committee thereof), which has the discretion to determine the participants to whom awards may be granted, the type and number of awards granted, and the terms and conditions of such awards, including vesting, performance criteria, settlement and termination provisions. Awards may be settled in Shares, cash, or a combination thereof, as determined by the Board.

Eligible participants under the Equity Incentive Plan include directors, officers, employees and consultants of the Company. The Board is responsible for administration of the Equity Incentive Plan and has the discretion to determine the persons to whom awards may be granted, the number and type of awards granted and the applicable vesting conditions, performance criteria and other terms of such awards.

Stock Options, RSUs, PSUs and DSUs may be granted under the Equity Incentive Plan. The exercise price, term, vesting schedule and other conditions applicable to Stock Options and other awards are determined by the Board, subject to the terms of the Equity Incentive Plan and applicable securities laws and stock exchange requirements.

The Equity Incentive Plan contains customary provisions governing adjustments in the event of changes to the Company’s capital structure and permits the Board to amend the Equity Incentive Plan, subject to shareholder approval in circumstances where such approval is required by applicable law or stock exchange requirements.

As of the date of this Information Circular, no awards are outstanding under the Equity Incentive Plan and no Shares are reserved for issuance pursuant to outstanding awards thereunder.

As of the date hereof, the Company has not granted any Stock Options, RSUs, PSUs or DSUs to its directors and officers.

As of the date of this Information Circular, to the Company's knowledge, the directors and officers of Company owned, directly and indirectly, an aggregate of 1,194,751 Shares. Of these Shares, 1,000,001 Shares are held by Oscar Mendoza, 114,000 Shares are held by Mr. Mendoza's spouse, Odontungalag Mandalbaatar, 500 Shares are held by Steven Vanry, 78,750 Shares are held indirectly by 677185 B.C.  - (iv) the price, if any, to be paid by a Participant in connection with the purchase of Shares covered by any Awards;
 - (v) whether restrictions or limitations are to be imposed on the Shares issuable pursuant to grants of any Award, and the nature of such restrictions or limitations, if any; and
 - (vi) any acceleration of exercisability or vesting, or waiver of termination regarding any Award, based on such factors as the Plan Administrator may determine;

- (c) establish the form or forms of Award Agreements;
- (d) cancel, amend, adjust or otherwise change any Award under such circumstances as the Plan Administrator may consider appropriate in accordance with the provisions of this Plan;
- (e) construe and interpret this Plan and all Award Agreements;
- (f) adopt, amend, prescribe and rescind administrative guidelines and other rules and regulations relating to this Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws or for qualifying for favorable tax treatment under applicable foreign laws; and
- (g) make all other determinations and take all other actions necessary or advisable for the implementation and administration of this Plan.

Notwithstanding the foregoing, the grant of any Other Share-Based Awards that are not Options, Deferred Share Units, Restricted Share Units or Performance Share Units will be subject to Exchange and shareholder approval (as applicable).

3.2 Delegation to Committee

- (a) The initial Plan Administrator shall be the Board.
- (b) To the extent permitted by applicable law, the Board may, from time to time, delegate to a committee of the Board (the “**Committee**”) all or any of the powers conferred on the Plan Administrator pursuant to this Plan, including the power to sub-delegate to any member(s) of the Committee or any specified Officer(s) of the Corporation or its subsidiaries all or any of the powers delegated by the Board. In such event, the Committee or any sub-delegate will exercise the powers delegated to it in the manner and on the terms authorized by the delegating party.

3.3 Determinations Binding

Except as may be otherwise set forth in any written employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant, any decision made or action taken by the Board, the Committee or any sub-delegate to whom authority has been delegated pursuant to Section 3.2 arising out of or in connection with the administration or interpretation of this Plan is final, conclusive and binding on the Corporation and all subsidiaries of the Corporation, the affected Participant(s), their respective legal and personal representatives and all other Persons.

3.4 Eligibility

All Employees, Executive Officers, Consultants and Directors are eligible to participate in the Plan, subject to Section 10.1(f). Only Directors are eligible to receive DSUs. Participation in the Plan is voluntary and eligibility to participate does not confer upon any Employee, Executive Officer, Consultant or Director any right to receive any grant of an Award pursuant to the Plan. The extent to which any Executive Officer, Employee, Consultant or Director is entitled to receive a grant of an Award pursuant to the Plan will be determined in the discretion of the Plan Administrator.

3.5 Plan Administrator Requirements

Any Award granted under this Plan shall be subject to the requirement that, if at any time the Corporation shall determine that the listing, registration or qualification of the Shares issuable pursuant to such Award upon any securities exchange or under any Securities Laws of any jurisdiction, or the consent or approval of the Exchange and any securities commissions or similar securities regulatory bodies having jurisdiction over the Corporation is necessary as a condition of, or in connection with, the grant or exercise of such Award or the issuance or purchase of Shares thereunder, such Award may not be accepted or exercised, as applicable, in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Plan Administrator. Nothing herein shall be deemed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval. Participants shall, to the extent applicable, cooperate with the Corporation in complying with such legislation, rules, regulations and policies.

3.6 Total Shares Subject to Awards

- (a) Subject to adjustment as provided for in Article 11 and any subsequent amendment to this Plan, the aggregate number of Shares reserved for issuance pursuant to Awards granted under this Plan shall not exceed 10% of the Corporation's total issued and outstanding Shares from time to time. This Plan is considered an "evergreen" plan, since the shares covered by Awards which have been exercised or terminated shall be available for subsequent grants under the Plan and the number of Awards available to grant increases as the number of issued and outstanding Shares increases.
- (b) To the extent any Awards (or portion(s) thereof) under this Plan are exercised, terminate or are cancelled for any reason prior to exercise in full, any Shares subject to such Awards (or portion(s) thereof) shall be added back to the number of Shares reserved for issuance under this Plan and will again become available for issuance pursuant to the exercise of Awards granted under this Plan.
- (c) Any Shares issued by the Corporation through the assumption or substitution of outstanding stock options or other equity-based awards from an acquired

company shall not reduce the number of Shares available for issuance pursuant to the exercise of Awards granted under this Plan.

3.7 Limits on Grants of Awards Notwithstanding anything in this Plan:

- (a) If the Corporation is subject to the policies of the TSXV, the number of grants which may be issuable under the Corporation's Security Based Compensation Arrangements in existence from time to time on and after the effective date of the Plan, within any one-year period:
 - (i) to Insiders (as a group) shall be no more than 10% of the issued and outstanding share capital of the Corporation;
 - (ii) to any one Person, shall be no more than 5% of the issued and outstanding share capital of the Corporation, with the exception of a Consultant who may not receive grants of more than 2% of the issued and outstanding share capital of the Corporation; and
 - (iii) to all Persons employed to conduct Investor Relations Activities, shall be no more than an aggregate of 2% of the number of issued and outstanding Common Shares in the capital of the Corporation at any one time.
- (b) If the Corporation is subject to the policies of the TSX, then the aggregate number of Shares:
 - (i) issuable to Insiders at any time under all of the Corporation's Security Based Compensation Arrangements, shall not exceed 10% of the Corporation's total issued and outstanding Shares; and
 - (ii) issued to Insiders within any one-year period, under all of the Corporation's Security Based Compensation Arrangements, shall not exceed 10% of the Corporation's total issued and outstanding Shares,

provided that the acquisition of Shares by the Corporation for cancellation shall not constitute non-compliance with this Section 3.7 for any Awards outstanding prior to such purchase of Shares for cancellation; and

- (c) If the Shares are listed on the TSX, then (i) the Plan Administrator shall not make grants of Awards to Directors if, after giving effect to such grants of Awards, the aggregate number of Shares issuable to Directors, at the time of such grant, under all of the Corporation's Security Based Compensation Arrangements would exceed 1% of the issued and outstanding Shares on a non-diluted basis, and (ii) within any one financial year of the Corporation, (A) the aggregate fair value on

the Date of Grant of all Options granted to any one Director shall not exceed \$100,000, and (B) the aggregate fair market value on the Date of Grant of all Awards (including, for greater certainty, the fair market value of the Options) granted to any one Director under all of the Corporation's Security Based Compensation Arrangements shall not exceed \$150,000; provided that such limits shall not apply to (i) Awards taken in lieu of any cash retainer or meeting director fees, and (ii) a one-time initial grant to a Director upon such Director joining the Board.

3.8 Award Agreements

Each Award under this Plan will be evidenced by an Award Agreement. Each Award Agreement will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Plan Administrator may direct. Any one Officer of the Corporation is authorized and empowered to execute and deliver, for and on behalf of the Corporation, any Award Agreement to a Participant granted an Award pursuant to this Plan.

3.9 Non-transferability of Awards

Except as otherwise set out in the Award Agreement or as otherwise permitted by the Plan Administrator, and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards or under this Plan whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect.

ARTICLE 4 OPTIONS

4.1 Granting of Options

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant Options to any Participant. The terms and conditions of each Option grant shall be evidenced by an Award Agreement.

4.2 Exercise Price

The Plan Administrator will establish the Exercise Price at the time each Option is granted, which Exercise Price must in all cases be not less than the Market Price on the Date of Grant.

4.3 Term of Options

Subject to any accelerated termination as set forth in this Plan, each Option expires on its Expiry Date.

4.4 Vesting and Exercisability

- (a) The Plan Administrator shall have the authority to determine the vesting terms applicable to grants of Options.
- (b) Once an instalment becomes vested, it shall remain vested and shall be exercisable until expiration or termination of the Option, unless otherwise specified by the Plan Administrator, or as may be otherwise set forth in any written employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant. Each vested Option or instalment may be exercised at any time or from time to time, in whole or in part, for up to the total number of Option Shares with respect to which it is then exercisable. The Plan Administrator has the right to accelerate the date upon which any instalment of any Option becomes exercisable.
- (c) Subject to the provisions of this Plan and any Award Agreement (including withholding obligations, if applicable), Options shall be exercised by means of a fully completed Exercise Notice delivered to the Corporation.
- (d) The Plan Administrator may provide at the time of granting an Option that the exercise of that Option is subject to restrictions, in addition to those specified in this Section 4.4, such as vesting conditions relating to the attainment of specified Performance Goals.

4.5 Payment of Exercise Price

- (a) Unless otherwise specified by the Plan Administrator at the time of granting an Option and set forth in the particular Award Agreement, the Exercise Notice must be accompanied by payment of the Exercise Price. The Exercise Price must be fully paid by wire transfer, certified cheque, bank draft or money order payable to the Corporation or by such other means as might be specified from time to time by the Plan Administrator, which may include such other consideration and method of payment for the issuance of Shares to the extent permitted by the Securities Laws, or any combination of the foregoing methods of payment.
- (b) No Shares will be issued or transferred until full payment therefor has been received by the Corporation (subject to withholding obligations, if applicable).

ARTICLE 5
DEFERRED SHARE UNITS

5.1 Granting of DSUs

- (a) The Plan Administrator may fix, from time to time, a portion of the Director Fees that is to be payable in the form of DSUs. In addition, each Electing Person may be given, subject to the conditions stated herein, the right to elect in accordance with Section 5.1(b) to participate in the grant of additional DSUs pursuant to this Article 5. An Electing Person who elects to participate in the grant of additional DSUs pursuant to this Article 5 shall receive their Elected Amount (as that term is defined below) in the form of DSUs in lieu of cash. The **"Elected Amount"** shall be an amount, as elected by the Director, in accordance with applicable tax law, between 0% and 100% of any Director Fees that are otherwise intended to be paid in cash (the **"Cash Fees"**).
- (b) Each Electing Person who elects to receive their Elected Amount in the form of DSUs in lieu of cash will be required to file a notice of election in the form of Schedule A hereto (the **"Election Notice"**) with the Chief Financial Officer of the Corporation: (i) in the case of an existing Electing Person, by December 31st in the year prior to the year in which the services giving rise to the compensation are performed (other than for Director Fees payable for the 2025 financial year to an Electing Person who is not a U.S. Taxpayer as of the date of this Plan, in which case such Electing Person shall file the Election Notice by the date that is 30 days from the effective date of the Plan with respect to compensation paid for services to be performed after such date); and (ii) in the case of a newly appointed Electing Person who is not a U.S. Taxpayer, within 30 days of such appointment with respect to compensation paid for services to be performed after such date. In the case of an existing Electing Person who is a U.S. Taxpayer as of the Effective Date of this Plan in any deferred compensation plan required to be aggregated with this Plan for purposes of Code Section 409A, an initial Election Notice may be filed by the date that is 30 days from the Effective Date only with respect to compensation paid for services to be performed after the Election Date; and in the case of a newly appointed Electing Person who is a U.S. Taxpayer, an Election Notice may be filed within 30 days of such appointment only with respect to compensation paid for services to be performed after the Election Date. If no election is made within the foregoing time frames, the Electing Person shall be deemed to have elected to be paid the entire amount of his or her Cash Fees in cash.
- (c) Subject to Subsection 5.1(d), the election of an Electing Person under Subsection 5.1(b) shall be deemed to apply to all Cash Fees that would be paid subsequent to

the filing of the Election Notice, and such Electing Person is not required to file another Election Notice for subsequent calendar years.

- (d) Each Electing Person who is not a U.S. Taxpayer is entitled once per calendar year to terminate his or her election to receive DSUs in lieu of Cash Fees by filing with the Chief Financial Officer of the Corporation a notice in the form of Schedule B hereto. Such termination shall be effective immediately upon receipt of such notice, provided that the Corporation has not imposed a **“blackout”** on trading. Thereafter, any portion of such Electing Person’s Cash Fees payable or paid in the same calendar year and, subject to complying with Subsection 5.1(b), all subsequent calendar years shall be paid in cash. For greater certainty, to the extent an Electing Person terminates his or her participation in the grant of DSUs pursuant to this Article 5, he or she shall not be entitled to elect to receive the Elected Amount, or any other amount of his or her Cash Fees in DSUs in lieu of cash again until the calendar year following the year in which the termination notice is delivered. An election by a U.S. Taxpayer to receive the Elected Amount in DSUs in lieu of cash for any calendar year is irrevocable for that calendar year after the expiration of the election period for that year and any termination of the election will not take effect until the first day of the calendar year following the calendar year in which the termination notice in the form of Schedule C is delivered.
- (e) Any DSUs granted pursuant to this Article 5 prior to the delivery of a termination notice pursuant to Section 5.1(d) shall remain in the Plan following such termination and will be redeemable only in accordance with the terms of the Plan.
- (f) The number of DSUs (including fractional DSUs) granted at any particular time pursuant to this Article 5 will be calculated by dividing (i) the amount of any compensation that is to be paid in DSUs (including Director Fees and any Elected Amount), as determined by the Plan Administrator, by (ii) the Market Price of a Share on the Date of Grant.
- (g) In addition to the foregoing, the Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant DSUs to any Director.

5.2 DSU Account

All DSUs received by a Participant (which, for greater certainty includes Electing Persons) shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant. The terms and conditions of each DSU grant shall be evidenced by an Award Agreement.

5.3 Vesting of DSUs

Except as otherwise determined by the Plan Administrator, DSUs shall vest immediately upon grant.

5.4 Settlement of DSUs

- (a) DSUs shall be settled on the date established in the Award Agreement; provided, however that in no event shall a DSU Award be settled prior to a Participant's Termination Date, or later than one (1) year following, the date of the applicable Participant's Termination Date. If the Award Agreement does not establish a date for the settlement of the DSUs, then the settlement date shall be the Participant's Termination Date, subject to the delay that may be required under Section 12.8(d) below in the case of a U.S. Participant. Subject to Section 12.8(d) below in the case of a U.S. Participant, and except as otherwise provided in an Award Agreement, on the settlement date for any DSU, each vested DSU shall be redeemed for:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct, or
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above, in each case as determined by the Plan Administrator in its discretion.
- (b) If a U.S. Taxpayer is also subject to Canadian income tax with respect to his or her DSUs, then at such time as such U.S. Taxpayer ceases services with the Board, such cessation of services will be undertaken in a manner that constitutes both a Separation from Service and a loss of office or employment as contemplated by paragraph 6801(d) of the Regulations under the Income Tax Act (Canada).
- (c) Any cash payments made under this Section 5.4 by the Corporation to a Participant in respect of DSUs to be redeemed for cash shall be calculated by multiplying the number of DSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (d) Payment of cash to Participants on the redemption of vested DSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within (subject to withholding obligations, if applicable).

ARTICLE 9

ADDITIONAL AWARD TERMS

9.1 Dividend Equivalents

- (a) Unless otherwise determined by the Plan Administrator and set forth in the particular Award Agreement, as part of a Participant's grant of DSUs, PSUs or RSUs (as applicable) and in respect of the services provided by the Participant for such original grant, DSUs, PSUs and RSUs (as applicable) shall be credited with dividend equivalents in the form of additional DSUs, PSUs or RSUs, as applicable, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be in the amount a Participant would have received if the DSUs, PSUs or RSUs had been settled for Shares on the record date

of such dividend. Dividend equivalents credited to a Participant's account shall be subject to the same terms and conditions, including vesting and time of settlement, as the DSUs, PSUs or RSUs, as applicable, to which they relate.

- (b) The foregoing does not obligate the Corporation to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

9.2 Blackout Period

In the event that the proposed Date of Grant occurs, or an Award expires, at a time when an undisclosed material change or material fact in the affairs of the Corporation exists and the Corporation's securities are listed on an Exchange, the effective Date of Grant for such Award, or expiry of such Award, as the case may be, will be no later than 10 business days after which there is no longer such undisclosed material change or material fact, and the Market Price with respect to the grant of such Award shall be calculated based on the closing price of the Shares on the last trading day immediately preceding the effective Date of Grant. Notwithstanding the foregoing, in no event will the expiry date extend beyond ten years from the Date of Grant, and with respect to ISOs awarded to 10% owners (as described in Section 12.3 hereof) in no event will the expiry date extend beyond five years from the Date of Grant. With respect to a U.S. Taxpayer, the application of the blackout period shall be made in the Company's sole discretion in accordance with the Code and Section 409A thereof.

9.3 Withholding Taxes

Notwithstanding any other terms of this Plan, the granting, vesting or settlement of each Award under this Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or an Affiliate of the Corporation is obliged to withhold or remit to the relevant taxing authority in respect of the granting, vesting or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or an Affiliate of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or any Affiliate to the Participant, (b) require the sale of a number of Shares issued upon exercise, vesting, or settlement of such Award and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount, or (c) enter into any other suitable arrangements for the receipt of such amount. Each U.S. Taxpayer is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or for the account of such U.S. Taxpayer in connection with the Plan or any other plan maintained by the

Corporation (including any taxes and penalties under Section 409A of the Code), and neither the Corporation nor any affiliate of the Corporation shall have any obligation to indemnify or otherwise hold such U.S. Taxpayer (or any beneficiary) harmless from any or all of such taxes or penalties.

9.4 Recoupment

Notwithstanding any other terms of this Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or the relevant subsidiary of the Corporation and in effect at the Date of Grant of the Award, or as set out in the Participant's employment agreement, Award Agreement or other written agreement, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 9.4 to any Participant or category of Participants.

ARTICLE 10 TERMINATION OF EMPLOYMENT OR SERVICES

10.1 Termination of Employment, Services or Director

Subject to Section 10.2, unless otherwise determined by the Plan Administrator or as set forth in an employment agreement, Award Agreement or other written agreement:

- (a) where a Participant's employment, consulting agreement or arrangement is terminated or the Participant ceases to hold office or his or her position, as applicable, by reason of termination by the Corporation or a subsidiary of the Corporation for Cause, then any Option or other Award held by the Participant that has not been exercised as of the Termination Date shall be immediately forfeited and cancelled as of the Termination Date;
- (b) where a Participant's employment, consulting agreement or arrangement is terminated or the Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant or termination by the Corporation or a subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice) then any unvested Options or other Awards held by the Participant as of the Termination Date shall be immediately forfeited and cancelled as of the Termination Date. Any vested Options held by the Participant as of the Termination Date may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the date that is 90 days after the Termination Date. Any Option that

remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;

- (c) where a Participant becomes Disabled, then any Option held by the Participant that has not vested as of the date of the Disability of such Participant shall continue to vest in accordance with its terms and may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the third anniversary of the Participant's date of Disability. Any Option that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;
- (d) where a Participant's employment, consulting agreement or arrangement is terminated by reason of the death of the Participant, then any Option held by the Participant that has not vested as of the date of the death of such Participant shall vest on such date and may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the third anniversary of the date of the death of such Participant. Any Option that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period;
- (e) where a Participant's employment, consulting agreement or arrangement is terminated due to Retirement, then any Option held by the Participant that has not vested as of the date of such Retirement shall continue to vest in accordance with its terms and may be exercised or surrendered to the Corporation by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the third anniversary of the Participant's date of Retirement. Any Option that remains unexercised or has not been surrendered to the Corporation by the Participant shall be immediately forfeited upon the termination of such period. Notwithstanding the foregoing, if, following his or her Retirement, the Participant commences (the "**Commencement Date**") employment, consulting or acting as a director of the Corporation or any of its subsidiaries (or in an analogous capacity) or otherwise as a service provider to any Person that carries on or proposes to carry on a business competitive with the Corporation or any of its subsidiaries (with such determination made by the Plan Administrator in its sole discretion), any Option held by the Participant that has not been exercised as of the Commencement Date shall be immediately forfeited and cancelled as of the Commencement Date;
- (f) a Participant's eligibility to receive further grants of Options or other Awards under this Plan ceases as of:

- (i) the date that the Corporation or a subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment, consulting agreement or arrangement is terminated, notwithstanding that such date may be prior to the Termination Date; or
- (ii) the date of the death, Disability or Retirement of the Participant; and
- (g) notwithstanding Subsection 10.1(b), unless the Plan Administrator, in its discretion,

otherwise determines, at any time and from time to time, Options or other Awards are not affected by a change of employment or consulting agreement or arrangement, or directorship within or among the Corporation or a subsidiary of the Corporation for so long as the Participant continues to be a Director, Employee or Consultant, as applicable, of the Corporation or a subsidiary of the Corporation.

10.2 Discretion to Permit Acceleration

Notwithstanding the provisions of Section 10.1, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in such Section, or in an employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator and with respect to Awards to U.S. Taxpayers, in a manner that does not result in adverse tax consequences under Section 409A of the Code.

10.3 Participants' Entitlement

Except as otherwise provided in this Plan, Awards previously granted under this Plan are not affected by any change in the relationship between, or ownership of, the Corporation and an Affiliate of the Corporation. For greater certainty, all grants of Awards remain outstanding and are not affected by reason only that, at any time, an Affiliate of the Corporation ceases to be an Affiliate of the Corporation.

ARTICLE 11 EVENTS AFFECTING THE CORPORATION

11.1 General

The existence of any Awards does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation,

combination, arrangement, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Article 11 would have an adverse effect on this Plan or on any Award granted hereunder.

11.2 Change in Control

Except as may be set forth in an employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant, and except with respect to DSUs:

- (a) The Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause (i) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iii) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction net of any exercise price payable by the Participant and subject to any withholding taxes, if applicable (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights net of any exercise price payable by the Participant, then such Award may be terminated by the Corporation without payment); (iv) the replacement of such Award with other rights or property selected by the Board in its sole discretion; or (v) any combination of the foregoing. In taking any of the actions permitted under this Subsection 11.2(a), the Plan Administrator will not be required to treat all Awards similarly in the transaction. Notwithstanding the foregoing, in the case of Options held by a Canadian Taxpayer, the Plan Administrator may not cause the Canadian Taxpayer to receive (pursuant to this Subsection 11.2(a)) any property in connection with a Change in Control other than rights to acquire shares of a corporation or units of a "mutual fund trust" (as defined in the Tax Act), of the Corporation or a "qualifying person" (as defined in the Tax Act) that does not deal

at arm's length (for purposes of the Tax Act) with the Corporation, as applicable, at the time such rights are issued or granted.

- (b) Notwithstanding Subsection 11.2(a), and unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on an Exchange, then the Corporation may terminate all of the Awards granted under this Plan (other than Options held by Canadian Taxpayers) at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such Participant as determined by the Plan Administrator, acting reasonably, or in the case of Options held by a Canadian Taxpayer by permitting the Canadian Taxpayer to surrender such Options to the Corporation for an amount for each such Option equal to the fair market value of such Option as determined by the Plan Administrator, acting reasonably, upon the completion of the Change in Control (following which such Options may be cancelled for no consideration).
- (c) It is intended that any actions taken under this Section 11.2 or under Section 11.3 or 11.4, will comply with the requirements of Section 409A of the Code with respect to Awards granted to U.S. Taxpayers.

11.3 Reorganization of Corporation's Capital

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

11.4 Other Events Affecting the Corporation

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the

Plan Administrator will, subject to the prior approval of the Exchange (if required), authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

11.5 Immediate Acceleration of Awards

In taking any of the steps provided in Sections 11.3 and 11.4, the Plan Administrator will not be required to treat all Awards similarly and where the Plan Administrator determines that the steps provided in Sections 11.3 and 11.4 would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Plan Administrator may, but is not required, to permit the immediate vesting of any unvested Awards.

11.6 Issue by Corporation of Additional Shares

Except as expressly provided in this Article 11, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards or other entitlements of the Participants under such Awards.

11.7 Fractions

No fractional Shares will be issued pursuant to an Award. Accordingly, (whether as a result of any adjustment under this Article 11, a dividend equivalent or otherwise), a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 12 U.S. TAXPAYERS

12.1 Provisions for U.S. Taxpayers

In the case of a Participant who is a U.S. Taxpayer, Options may only be awarded to such Participant to the extent the Participant performs direct services to (A) the Corporation or any entity (other than the Corporation), in an unbroken chain of corporations (or other entities) beginning with the Corporation, in which each of the corporations (or other entities) other than the last corporation or other entity in the unbroken chain owns, directly or indirectly, equity representing at least 50% of the voting power of all classes of equity entitled to vote or at least 50% of the value of all classes of equity in one of the other corporations (or other entities) in such chain, or (B) to an entity that otherwise qualifies as an eligible issuer of service recipient stock pursuant to United States Treasury Regulation Section 1.409A-1(b)(5)(iii)(E)(1). Options granted under this Plan to U.S. Taxpayers may be non-qualified stock options or incentive stock options

qualifying under Section 422 of the Code (“**ISOs**”). Each Option shall be designated in the Award Agreement as either an ISO or a non-qualified stock option, and if no designation is made, the Option will be a non-qualified stock option. The Corporation shall not be liable to any Participant or to any other Person if it is determined that an Option intended to be an ISO does not qualify as an ISO.

12.2 ISOs

Subject to any limitations in Section 3.6, the aggregate number of Shares reserved for issuance in respect of granted ISOs shall not exceed 9,531,065 Shares, and the terms and conditions of any ISOs granted to a U.S. Taxpayer on the Date of Grant hereunder, including the eligible recipients of ISOs, shall be subject to the provisions of Section 422 of the Code, and the terms, conditions, limitations and administrative procedures established by the Plan Administrator from time to time in accordance with this Plan. At the discretion of the Plan Administrator, ISOs may be granted to any employee of the Corporation, or of a “parent corporation” or “subsidiary corporation”, as such terms are defined in Sections 424(e) and (f) of the Code. No ISOs may be granted more than ten (10) years after the earlier of (i) the date on which the Board adopts the most recent amendment and restatement of the Plan, or (ii) the date on which the shareholders of the Corporation approve such most recent amendment and restatement of the Plan. An ISO may be exercised during the Participant’s lifetime only by such the Participant. An ISO may not be transferred, assigned, pledged, hypothecated or otherwise disposed of by the Participant, except by will or by the laws of descent and distribution.

12.3 ISO Term and Exercise Price; Grants to 10% Shareholders

Notwithstanding anything to the contrary in this Plan, the term of an ISO shall not exceed ten (10) years, and the exercise price of an ISO shall be not less than one hundred percent (100%) of the Market Price on the applicable grant date; provided, however, that if an ISO is granted to a person who owns shares representing more than 10% of the voting power of all classes of shares of the Corporation or of a “parent corporation” or “subsidiary corporation”, as such terms are defined in Section 424(e) and (f) of the Code, on the Date of Grant, the term of the ISO shall not exceed five years from the time of grant of such ISO and the Exercise Price shall be at least 110% of the Market Price of the Shares subject to the ISO.

12.4 \$100,000 Per Year Limitation for ISOs

To the extent the aggregate Market Price as at the Date of Grant of the Shares for which ISOs are exercisable for the first time by any person during any calendar year (under all plans of the Corporation) exceeds \$100,000, such excess ISOs shall be treated as non-qualified stock options.

12.5 Disqualifying Dispositions

Each person awarded an ISO under this Plan shall notify the Corporation in writing immediately after the date he or she makes a disposition or transfer of any Shares acquired pursuant to the exercise of such ISO if such disposition or transfer is made (a) within two years from the Date of Grant or (b) within one year after the date such person acquired the Shares. Such notice shall specify the date of such disposition or other transfer and the amount realized, in cash, other property, assumption of indebtedness or other consideration, by the person in such disposition or other transfer. The Corporation may, if determined by the Plan Administrator and in accordance with procedures established by it, retain possession of any Shares acquired pursuant to the exercise of an ISO as agent for the applicable person until the end of the later of the periods described in (a) or (b) above, subject to complying with any instructions from such person as to the sale of such Shares.

12.6 ISO Status Following Termination of Employment

An ISO shall be exercisable in accordance with its terms under the Plan and the applicable Award Agreement or certificate awarding the ISO. However, in order to retain its treatment as an ISO for U.S. federal income tax purposes, the ISO must be exercised within the time periods set forth below. If an ISO is not exercised within the time periods below, but the Option otherwise would remain exercisable following such time periods pursuant to the terms of the Award Agreement, then, following the expiration of the time periods below without exercise the ISO will be converted to a non-qualified stock option.

- (a) If a Participant who has been granted an ISO ceases to be an employee for any reason other than the death or disability (within the meaning of Code Section 22(e)) of such Participant, such ISO must be exercised (to the extent such ISO was exercisable on the date of termination) by such Participant within three months following the date of termination (but in no event beyond the Expiry Date of such ISO).
- (b) If a Participant who has been granted an ISO ceases to be an employee due to the disability of such Participant (within the meaning of Code Section 22(e)), such ISO must be exercised (to the extent it is exercisable by its terms) by the date that is one year following the date of such disability, but in no event beyond the Expiry Date of such ISO.
- (c) For purposes of this Section 12.6, the employment of a Participant who has been granted an ISO will not be considered interrupted or terminated upon (a) sick leave, military leave or any other leave of absence approved by the Corporation that does not exceed ninety (90) days in the aggregate; provided, however, that if reemployment upon the expiration of any such leave is guaranteed by contract or applicable law, such ninety (90) day limitation will not apply, or (b) a transfer from one office of the Corporation (or of any parent or subsidiary of the Corporation as

defined in Code Sections 424(e) and (f)) to another office of the Corporation (or of any such parent or subsidiary) or a transfer between the Corporation and any such parent or subsidiary.

12.7 Shareholder Approval for ISO Purposes

In the event the Plan is not approved by the shareholders of the Corporation in accordance with the requirements of Section 422 of the Code within twelve (12) months of the date of adoption of the Plan (or the date of any later restatement of the Plan that adds or changes ISO provisions requiring shareholder approval), Options otherwise designated as ISOs will be non-qualified stock options.

12.8 Section 409A of the Code

- (a) This Plan will be construed and interpreted to be exempt from, or where not so exempt, to comply with Section 409A of the Code to the extent required to preserve the intended tax consequences of this Plan. To the extent that an Award or payment, or the settlement or deferral thereof, is subject to Section 409A of the Code, it is intended that the Award will be granted, paid, settled or deferred in a manner that will meet the requirements of Section 409A of the Code, such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Section 409A of the Code. The Corporation reserves the right to amend this Plan to the extent it reasonably determines is necessary in order to preserve the intended tax consequences of this Plan in light of Section 409A of the Code. In no event will the Corporation or any of its subsidiaries or Affiliates be liable for any tax, interest or penalties that may be imposed on a Participant under Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.
- (b) All terms of the Plan that are undefined or ambiguous must be interpreted in a manner that complies with Section 409A of the Code, if necessary, to comply with Section 409A of the Code.
- (c) The Plan Administrator, in its sole discretion, may permit the acceleration of the time or schedule of payment of a U.S. Taxpayer's vested Awards in the Plan under circumstances that constitute permissible acceleration events under Section 409A of the Code.
- (d) Notwithstanding anything in the Plan or any Award Agreement to the contrary, to the extent that any amount or benefit that constitutes "deferred compensation" to a Participant under Section 409A and applicable guidance thereunder is otherwise payable or distributable to a Participant under the Plan or any Award Agreement solely by reason of the occurrence of a change in control or due to the

Participant's disability or "separation from service" (as such term is defined under Section 409A), such amount or benefit will not be payable or distributable to the Participant by reason of such circumstance unless the Plan Administrator determines in good faith that (i) the circumstances giving rise to such change in control event, disability or separation from service meet the definition of a change in control event, disability, or separation from service, as the case may be, in Section 409A(a)(2)(A) of the Code and applicable proposed or final regulations, or (ii) the payment or distribution of such amount or benefit would be exempt from the application of Section 409A by reason of the short term deferral exemption or otherwise. In order to comply with both Canadian and U.S. tax rules, RSUs and PSUs will be structured so that the designated settlement/payment date (the "Scheduled Payment Date") for such Award will in all cases be no later than the final Business Day of the third calendar year following the year in which the Award is granted, and settlement will in fact occur by such final Business Day. Further, to the extent that any RSU or PSU is deferred compensation under Section 409A of the Code, then as to any Participant: (i) who is a U.S. Taxpayer, (ii) who is a "specified employee" within the meaning of Section 409A of the Code at the time of his separation from service, and (iii) whose RSU or PSU would by its terms be settled/paid pursuant earlier than the Scheduled Payment Date as a result of his or her Separation from Service, then settlement will occur on the earlier of the date that is six months and one day following the date of Separation from Service and the Scheduled Payment Date as permitted under Section 409A of the Code. With respect to DSUs of a U.S. Taxpayer, where settlement is to occur upon such Participant's Separation from Service, if such Participant is a "specified employee" at the time of his separation from service then settlement will occur on the date that is six months and one day following the date of Separation from Service, or, if earlier, as soon as practical following the date of the Participant's death.

12.9 Section 83(b) Election

If a Participant makes an election pursuant to Section 83(b) of the Code with respect to an Award of Shares subject to vesting or other forfeiture conditions, the Participant shall be required to promptly file a copy of such election with the Corporation.

ARTICLE 13 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

13.1 Amendment, Suspension, or Termination of the Plan

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Plan or any

Awards granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that:

- (a) no such amendment, modification, change, suspension or termination of any Awards granted hereunder may materially impair any rights of a Participant without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable Securities Laws or Exchange requirements;
- (b) any amendment that would cause an Award held by a U.S. Taxpayer be subject to the additional tax penalty under Section 409A(1)(b)(i)(II) of the Code shall be null and void ab initio with respect to the U.S. Taxpayer unless the consent of the U.S. Taxpayer is obtained; and
- (c) if the Company's securities are traded on the Exchange, any amendments to the Plan or to any Awards granted pursuant to the Plan are subject to Exchange approval (including such amendments that do not otherwise trigger approval of the holders of voting shares of the Corporation).

13.2 Shareholder Approval

If the Company's securities are traded on an Exchange, then notwithstanding Section 13.1 and subject to any rules of the Exchange, approval of the holders of the Shares (including by way of Disinterested Shareholder Approval where required by the Exchange) shall be required for any amendment, modification or change that:

- (a) increases the percentage of Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (b) increases or removes the 10% limits on Shares issuable or issued to Insiders as set forth in Subsection 3.7(a) or 3.7(c), as applicable;
- (c) if the Corporation is subject to the policies of the TSXV, allows for the grant to Insiders (as a group), within a 12 month period, an aggregate number of Awards exceeding 10% of the Corporation's issued Common Shares, calculated at the date the Award is granted to the Insider;
- (d) if the Corporation is subject to the policies of the TSXV, allows for the grant to any one Participant, within a 12 month period, an aggregate number of Awards exceeding 5% of the Corporation's issued Common Shares, calculated at the date the Award is granted to the Insider;

- (e) reduces the exercise price of an Award (for this purpose, a cancellation or termination of an Award of a Participant prior to its Expiry Date for the purpose of reissuing an Award to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Award) except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (f) extends the term of an Award beyond the original Expiry Date (except where an Expiry Date would have fallen within a blackout period applicable to the Participant or within five business days following the expiry of such a blackout period);
- (g) permits an Award to be exercisable beyond 10 years from its Date of Grant (except where an Expiry Date would have fallen within a blackout period of the Corporation);
- (h) increases or removes the limits on the participation of Directors;
- (i) permits Awards to be transferred to a Person;
- (j) changes the eligible participants of the Plan; or
- (k) deletes or reduces the range of amendments which require approval of shareholders under this Section 13.2.

13.3 Permitted Amendments

Without limiting the generality of Section 13.1, but subject to Section 13.2, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;
- (b) making any amendments to the provisions set out in Article 10;
- (c) making any amendments to add covenants of the Corporation for the protection of Participants, as the case may be, provided that the Plan Administrator shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (d) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of

the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and Directors;

- (e) amending or modifying the Plan to the extent the Plan Administrator in its sole discretion deems necessary or advisable to comply with any guidance issued under Section 409A of the Code or other tax regulation; or
- (f) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Plan Administrator shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

ARTICLE 14 MISCELLANEOUS

14.1 Legal Requirement

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

14.2 U.S. Securities Laws

Neither the Awards nor the securities which may be acquired pursuant to the exercise of the Awards have been registered under the Securities Act or under any securities law of any state of the United States of America. The Awards and the securities which may be acquired pursuant to the exercise of the Awards may not be offered or sold, directly or indirectly, except pursuant to registration under the U.S. Securities Act and the securities laws of all applicable states or available exemptions or exclusions therefrom. Each recipient of an Award will be required to complete an Award Agreement which sets out the applicable United States securities law matters.

14.3 No Other Benefit

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

14.4 Rights of Participant

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as an Employee, Executive Officer, Consultant or Director. No Participant has any rights as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

14.5 Corporate Action

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Corporation from taking corporate action which is deemed by the Corporation to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

14.6 Conflict

In the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of the Award Agreement shall govern. In the event of any conflict between or among the provisions of this Plan or any Award Agreement, on the one hand, and a Participant's employment agreement with the Corporation or a subsidiary of the Corporation, as the case may be, on the other hand, the provisions of the employment agreement or other written agreement shall prevail.

14.7 Anti-Hedging Policy

By accepting the Option or Award each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options or Awards.

14.8 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan (including as to whether the circumstances described in Section 10.1(e) or 12.3 exist). Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

14.9 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Shares. The Corporation does not assume responsibility for the income or other tax consequences for the Participants and Directors and they are advised to consult with their own tax advisors.

14.10 International Participants

With respect to Participants who reside or work outside Canada, the Plan Administrator may, in its discretion, amend, or otherwise modify, without shareholder approval, the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the provisions of local law, and the Plan Administrator may, where appropriate, establish one or more sub-plans to reflect such amended or otherwise modified provisions.

14.11 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its subsidiaries.

14.12 General Restrictions on Assignment

Except as required by law, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

14.13 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

14.14 Notices

All written notices to be given by a Participant to the Corporation shall be delivered personally or e-mail, addressed as follows:

Krait Gold Corp.

E-Mail: info@kraitgold.com

All notices to a Participant will be addressed to the principal address of the Participant on file with the Corporation. Either the Corporation or the Participant may designate a different address by written notice to the other. Such notices are deemed to be received, if delivered personally or by e-mail, on the date of delivery, and if sent by mail, on the tenth Business Day following the date of mailing; provided that in the event of any actual or imminent postal disruption, notices shall be delivered to the appropriate party and not sent by mail. Any notice given by either the Participant or the Corporation is not binding on the recipient thereof until received.

14.15 Effective Date

This Plan becomes effective on a date to be determined by the Plan Administrator, subject to the approval of the shareholders of the Corporation.

14.16 Governing Law

This Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the internal laws of the Province of British Columbia and the federal laws of Canada applicable therein, without reference to conflicts of law rules.

14.17 Submission to Jurisdiction

The Corporation and each Participant irrevocably submits to the exclusive jurisdiction of the courts of competent jurisdiction in the Province of British Columbia in respect of any action or proceeding relating in any way to the Plan, including, without limitation, with respect to the grant of Awards and any issuance of Shares made in accordance with the Plan.

14.18 No Representation or Warranty

The Corporation makes no representation or warranty as to the future market value of Shares (which for clarity shall include for the purposes of this Section 14.18 other classes or kinds of securities issued in place of Shares pursuant to this Plan) issued in accordance with the provisions of this Plan or to the effect of the Income Tax Act (Canada) or any other taxing statute governing the Awards or the Shares issuable thereunder or the tax consequences to a Participant. Compliance with applicable securities laws as to the disclosure and resale obligations of each Participant is the responsibility of such Participant and not the Corporation.

Pursuant to the Plan, I hereby elect to participate in the grant of DSUs pursuant to Article 5 of the Plan and to receive ____% of my Cash Fees in the form of DSUs in lieu of cash.
